Cash support for food redistribution during coronavirus outbreak

The government has announced a £3 million fund for food redistribution organisations help them cut food waste during the coronavirus outbreak. All food redistribution businesses and charities will be encouraged to bid for grants over the coming month, including those whose volunteer programmes have been affected by social distancing measures or those that cannot access their usual commercial support network.

Universal Infant Free School Meals (UIFSM)

In 2014 the UIFSM policy was introduced. All children in reception, year 1 and year 2 were entitled to a free meal regardless of personal circumstances. This is subject to change with government policy but has been confirmed for the academic year 2019 to 2020. To get your free meal please ask at your child's school.

[Website](#)

Free school meal entitlement

All children aged 3 to 18 at Derbyshire nurseries or schools can get a free meal if they qualify.

Qualifying criteria:

- Universal Credit, provided they have an annual net earned income not exceeding £7,400 (£616.67 per month)
 - Income Support
 - Income-based Jobseekers Allowance
 - Income-related Employment and Support Allowance
 - support under Part 6 of the Immigration and Asylum Act 1999
 - the guarantee element of State Pension Credit
 - Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190) as assessed by HMRC
- Working Tax Credit run-on (paid for 4 weeks after you stop qualifying for Working Tax Credit)

Universal Credit has begun to be rolled out in Derbyshire and will affect all areas of Derbyshire by the end of 2022.

Most families will not be affected by the new criteria. Families who are currently claiming free school meals, but fail to meet the new criteria, will continue to receive free school meals until the end of the Universal Credit rollout period, even if they continue to appear as no longer eligible on future reports. The rollout period is currently scheduled to end in March 2022.

Once Universal Credit is fully rolled out, pupils will keep their free school meal entitlement until the end of their current phase of education, that is, primary or secondary.

[Read more about free school meals guidance for schools and local authorities.](#)

Young people age 16 to 18 who receive the benefits or tax credits in their own right are also entitled to receive free school meals.

Even if you meet any or all of the criteria, families will not be eligible if they are claiming Working Tax Credit.

Applying for free school meals

You can sign up for free school meals at any time of year.

You or your partner can claim for your children, as long as you live at the same address.

You do not have to fill in a separate form for each child, even if they go to different schools. Just name the child and which school they go to.

If another of your children starts school and one of your children already has free school meals, we can add them to the application you already have. Just call the free school meals team tel: 01629 536400 or 01629 536481.

Welfare Benefits

Thousands of people in Derbyshire are missing out on benefits that are theirs by right.

Sometimes the system doesn't make it easy for you to understand the rules about benefits or how to claim the benefits you are entitled to.

We can help with advice and can take on any representation that you may need.

- We deal with welfare benefits and tax credits, sometimes referred to as social security.
- We can give advice over the phone about which benefits to claim and how to claim them.
- We can send out claim forms and advise on how to challenge decisions by the benefits authorities.
- We can assist with benefits appeals, including representing Derbyshire claimants at tribunal hearings.

If you disagree with a benefits decision you only have one month in which to challenge the decision, so you need to seek advice right away.

If you need help filling in benefit claim forms, your local Citizens Advice Bureau can help.

Warm Home Discount Scheme

Overview

You could get £140 off your electricity bill for winter 2020 to 2021 under the Warm Home Discount Scheme. The money is not paid to you - it's a one-off discount on your electricity bill, between September and March. You may be able to get the discount on your gas bill instead if your supplier provides you with both gas and electricity. Contact your supplier to find out.

The discount will not affect your [Cold Weather Payment](#) or [Winter Fuel Payment](#).

Eligibility

There are 2 ways to qualify for the Warm Home Discount Scheme:

you get the [Guarantee Credit element of Pension Credit](#) - known as the 'core group'

[you're on a low income](#) and meet your energy supplier's criteria for the scheme - known as the 'broader group'

How you apply for the Warm Home Discount Scheme depends on how you qualify for the discount.

Pre-pay or pay-as-you-go meters

You can still qualify for the discount if you use a pre-pay or pay-as-you-go electricity meter.

Your electricity supplier can tell you how you'll get the discount if you're eligible, for example a voucher you can use to top up your meter.

Park (mobile) homes

You apply a different way if you live in a park home.

Park home applications for winter 2020 to 2021 are now closed.

[Fill in the Park Homes Warm Home Discount application form](#) to be contacted when the scheme reopens.

Morrisons Foundation – Covid 19 Homeless Support Fund

The Morrisons Foundation has announced a Homeless Support Fund aiming to fund charities caring for the homeless during the Covid 19 outbreak and ensure help gets to those who need it. The Foundation recognises that homeless people are particularly vulnerable to Covid 19 because of underlying health conditions and are less able to access basic sanitation.

There is a total of £500,000 for this fund and awards of up to **£10,000** are available. Smaller requests will allow more charities to be supported from the fund.

Registered charities that care for the homeless can apply to cover the broad areas:

- Outreach and support to rough sleepers
- Delivery of services in hostels and shelters
- Information and advice

Applications can be made at anytime.

If you're struggling with finances and finding it difficult to pay your rent, it's important that you act as soon as possible to avoid becoming homeless.

Staying active**

The coronavirus (COVID19) outbreak is going to have an impact on everyone's daily lives, as the government and the NHS take necessary steps to manage the outbreak, reduce transmission and treat those who need medical attention.

It may be difficult, but by following guidance on social distancing, or staying at home, you are helping to protect yourself, your family, the NHS and your community.

During this time, you may be bored, frustrated or lonely. You may also feel low, worried, anxious, or be concerned about your health or that of those close to you. Everyone reacts differently to events and changes in the way that we think, feel and behave vary between different people and over time. It's important that you take care of your mind as well as your body and to get further support if you need it.

CEASE.

? What is CEASE?

Based around the course creator's personal experience of supporting her best friend through an abusive relationship that ended in tragedy, CEASE is a 4 session educational programme which aims to:

- Help young people recognise the subtle indications of an abusive relationship
- Have an understanding of the options available to them should they encounter or witness such behaviour
- Identify local sources of specialist support and support access to those services
- Create Empowerment And Self Efficacy

? Why do we need it?

"A survey showed that 40% of teenage girls would consider giving their boyfriend another chance if he hit them, and one third said that cheating justified the use of violence."

In short, to save lives. To challenge abusive views and behaviour. To question negative social norms in youth relationships.

? What is the outcome?

The desired outcome of the programme is for young people to have an understanding of these key points:

- What you could do if you suspect or personally experience domestic abuse
- Who you could talk to if you suspect or personally experience domestic abuse
- Why a person cannot "just leave" an abusive relationship
- Domestic abuse is a behavioural choice on the perpetrator's part
- What local sources of specialist support are available? And how can they be accessed?

? How is it delivered?

The programme is delivered over 4 sessions. Each session encourages active dialogue within the group and uses various methods to provoke discussion. These include advert clips, handouts, statistics, music videos, newspaper articles and group brainstorming.

? What is the cost?

This will depend on the number of courses required. It is important to note that the course is being delivered by Remedi on a 100% 'not for profit' basis and will be facilitated at 'cost'.

? Who do I contact to find out more?

In the first instance please contact our CEASE lead Keely Grainger via keely.grainger@remediuk.org

"The programme is a good thing because not everyone is brave enough to speak up for themselves."

Young Person, Nottingham

"The programme really helped me."

School closures, restricted services and lack of face-to-face support mean that there may be less opportunities to protect children at risk.

Exploited children and young people don't always look vulnerable and may not act like victims. If something doesn't feel right though, it might not be.

Public spaces like bus and train stations, fast food outlets, hotels and roadside services can be where young victims of child exploitation are most visible. Help to protect children and young people. **Don't wait. Report it.**

Parental Support

What support do they offer?

We offer information and support in understanding the digital world, to help raise resilient children. Our services include Parent Info, and the Parent Lounge, which gives access to our Parenting in the Digital Age training course.

Schools

Parent Zone's Digital Schools Membership supports schools in keeping children safer online, fostering resilience and helping them educate pupils for a digital future. As well as Digital Schools Membership, we deliver the Parent Info service (offering articles and advice for parents, to run free of charge on school websites), and in-school training sessions.

Local Authorities

Parent Zone's Digital Resilience Membership supports effective work with parents and families in all communities, covering all the issues amplified by the internet.

Grants for families raising disabled children are available now from Family Fund

Family Fund is a UK-wide charity that provides grants for essential items to families on low incomes raising disabled or seriously ill children.

Since the beginning of the pandemic, Family Fund has continued to provide vital support to families, and has seen a significant increase in applications. Research indicates that half of the families they support have lost income as a result of the pandemic.

In May, in response to this extra need, the Department for Education provided a further £10 million in additional funding to the £27.3 million it had already committed to Family Fund, which has allowed them to support thousands more families.

This funding is still available, and families can apply for a grant right now by visiting the [Family Fund website](#). All families can apply online, by downloading an application pack, or by ordering a pack to be sent to them.

Healthy eating and lifestyles for families

This interactive e-learning course is designed for anyone interested in improving their eating habits and lifestyle. It also supports people to think about the importance of being active with hints and tips to do so. We hope you enjoy the experience and its first step to making positive changes. The e-learning takes around 45 minutes to complete.

This course will help you:

- understand more about what you eat, diet advice and food portion sizes
- find suggestions for activities and ideas for developing this learning with children

Apply if you are:

- parents or carers
- early years and childcare staff
- health and social care staff
- children's centre staff
- foster carers
- food bank staff
- primary school and nursery staff
- NHS staff

Information See Hear Respond

The See, Hear, Respond Partnership is a new service funded by the Department for Education. With your help, the See, Hear, Respond Partnership will quickly identify and support children, young people and families who are struggling to cope with the impacts of coronavirus.

Its aim is to provide early intervention before these children reach the threshold for statutory intervention.

See, Hear, Respond does not replace your usual referral process for children who meet a statutory threshold for significant harm: such referrals must be made to your local authority safeguarding team using your usual safeguarding procedures.

The See, Hear, Respond Partnership has been created specifically to help children and young people in England who are experiencing harm and increased adversity during coronavirus, by providing support to those who are not being seen by schools or other key agencies. There is no minimum threshold for referral. We will support children from pre-birth up to 18 years of age and those with special educational needs under the age of 25.

See, Hear, Respond will contact every referral made to us, so no child gets missed. We'll then find a partner best placed to support the most isolated and at risk children in your area. They'll get help in one or more of four ways:

- an online hub of support and information
- online counselling and therapy
- face-to-face support for those most affected and at risk of some of today's most pertinent issues, such as criminal exploitation, and
- helping children and young people reintegrate back into school.

We especially want to invite referrals for families who are most isolated from support due to Covid-19, including:

- Under 5s with a specific focus on under 2
- Those with Special Educational Needs and Disabilities and where there are concerns about their welfare e.g. online safety
- Children who may be at increased risk of abuse, neglect and exploitation inside or outside of the home
- Black, Asian, Minority Ethnic and Refugee children who experience barriers to accessing services
- Young carers

Press Release 11.09.20

Arts Derbyshire - A Necklace of Stars

Following on from the success of the first phase of *A Necklace of Stars*, we are looking for older adults who are housebound (aged 65+) from across Derbyshire to join us in a creative writing and embroidery project.

Arts Derbyshire is running a remote embroidery and creative writing project where participants receive weekly* one to one phone calls with artists 'arthur + martha'. The artists will guide people through the process of creating beautiful embroidered stars or creative writing themed around lullabies, for free.

The embroidered stars will be brought together to create a quilt which will be exhibited alongside the creative writing and lullaby soundtrack around Derbyshire's cultural venues in 2022.

A Necklace of Stars hopes to increase confidence and wellbeing, reduce loneliness, forge connections and re-ignite creativity.

If you are interested in taking part in this project (whether you have no experience or plenty), or know of someone who might enjoy getting involved, please contact Sally Roberts on 07395 904386 or email sallyartsderbyshire@gmail.com

A Necklace of Stars is an Arts Council England supported collaboration between Arts Derbyshire, DCC Public Health, Derbyshire Library Services and arts organisation arthur+martha.

* Weekly phone calls for approximately 4 weeks or until you are happy with the work you have created.

**Derbyshire's *NEW* Autism Alliance:
supported by Autism Information & Advice and
Living Well with Autism.**

**Have you been diagnosed with Autism Spectrum Condition?
Are you the parent/carer/friend of someone living with Autism?
Do you want to meet like minded people and benefit from peer support?
Do you want to have an input into Derbyshire's support services? If so, our Autism Alliance is the group for you!**

The Autism Alliance is an informal and non-judgemental quarterly meeting, where individuals living with ASC, parents, family and friends, carers, and professionals can meet to share their experiences of ASC and benefit from peer support, meet a visiting speaker and learn a little more about ASC, meet the teams behind Autism Information & Advice and Living Well with Autism, and feed into what support is available in Derbyshire.

The meetings will be a safe and positive space where experiences, ideas, thoughts and feelings can be shared openly – however, if talking is not for you, you can simply come along and listen in. Everyone is welcome.

The first Autism Alliance meeting is on Wednesday 21st October 2020.

Following meetings will be held on:

Wednesday 20th January 2021

Wednesday 21st April 2021

Wednesday 21st July 2021

The meetings will all be held over Zoom and take place at 15:00 (3pm).

Interested in joining? Simply email or call:
Email: autismservice@citizensadvicemidmercia.org.uk
Tel: 01332 228 790

The first meeting will host visiting speaker Ben Holmes – founder of Autism & Neurodiversity Coaching in Chesterfield. He will be talking about ASC & ADHD.

In an effort to get you some extra skills and give you the opportunity to help get your local communities back on their feet, National Citizen Service (NCS) will be running “Keep Doing Good”.

NCS this summer will be a 2 week programme delivered across August in your community, where 15-17 year olds will work in teams guided by NCS staff to Keep Doing Good.

Week 1 will give you brand new skills such as leadership, team building, presentation skills and the chance to plan your very own social action project. This will include workshops and activity sessions.

Week 2 will allow you to create and carry out your very own social action and volunteering projects. Helping the community where it needs it the most.

It’s an exciting opportunity and the best thing is...it’s completely free. So if you’re looking for a new challenge or a chance to get out the house and make a difference, visit wearencs.com and register today! Don’t worry this won’t stop you from doing the autumn 2020 or summer 2021 programmes.

CAMHS - Supporting bereaved children during the outbreak of

Covid-19

The outbreak of Covid-19 means that many aspects of our lives have changed. School is closed for most, lots of families are working from home, and we are all having to spend more time apart. The news is full of talk of the virus and the effect it is having.

Many children and young people will have questions and worries about the virus, but those who have experienced the death of someone important or who have an ill family member might be particularly worried.

This has been created to provide information to help professionals feel more informed about how best to support children, young people and their families with bereavement.

Are you feeling worried about how the children in your setting will cope with the return back to nursery?

As we move closer to babies and young children returning to nursery, we need to consider how their experiences over the past months will have affected them, and what impact this may have on their transition back into childcare.

Our Early Years in Mind team have put together these resources to help early years workers to start planning now for how they may be able to help oil the wheels of this important transition, and make it as stress free for young children as possible.

School and colleges are having to work in new ways and develop new relationships in the lock-down. We have published a series of resources to help support staff and to provide them with information about how to work with children and young people, include those with SEN, and materials

COVID-19 PANDEMIC SERVICE

SUMMER / AUTUMN 2020

The Young Carers Service is still operating and taking on new referrals.

Young Carers on the service might receive:

- Telephone calls with their support worker
- Video calls with their support worker
- Video calls with other young carers to take part in games and activities
- Activity packs through the post
- Home visits outdoors in gardens or on doorsteps with their support worker
- School visits, or video calls, while at school with their support worker
- Family support telephone calls or text messages
- Email resources and information

Group activities and outings are not currently operating due to COVID-19, but will re-start as soon as they can be done safely.

Are you worried about a child during Covid-19 in England?

There's now one co-ordinated response centre: See, Hear, Respond

In England, call 0800 157 7015 or visit barnardos.org.uk/see-hear-respond

Funded by the Department for Education and managed by Barnardo's, See, Hear, Respond will contact every referral so no child gets missed.

We'll then find a partner best placed to support the most isolated and at risk children in your area.

They'll get help in one or more of four ways:

- a self-service online hub of support and information
- online support including advice, guidance, and one to one and group therapy
- direct, face to face intervention, or
- helping children and young people reintegrate back into school.

Don't hesitate to call between 9am-9pm Monday-Friday, and 10am-6pm on Saturday and Sunday.

Coronavirus (COVID-19): health, care and volunteer workers parking pass and concessions

This guidance describes the terms of use around the government's free council car parking scheme for NHS workers, social care workers and NHS Volunteer Responders.

Derbyshire Carers Telephone Befriending

Telephone Befriending at Derbyshire Carers Association (DCA) is a regular friendly call from a fully trained volunteer to help alleviate isolation and provide some company and light conversation to adult Carers (over 18) within Derbyshire (not Derby City). DCA phone volunteers give support, reassurance, a listening ear.

The DCA Telephone Befriending service is continuing to run in the usual manner throughout the COVID-19 period. DCA established Volunteer callers are continuing to make their calls from home, as usual, to Carers they have previously been matched with, as well as any new Carers needing a chat. DCA Peer Support staff are also helping to provide befriending calls to isolated Carers during this time of increased need.

During the COVID19 period DCA are able to continue to offer support from their Telephone Befriending service to those Carers who are, or have become, more isolated or who are extremely vulnerable. Support and signposting can also be provided during the calls, where the Carer is in need of other information and local support.

If you feel you as a Carer would benefit from telephone support, or wish to discuss the Telephone Befriending, please contact DCA on: 01773 833833

British Red Cross online training course for coronavirus volunteers

Whether you're volunteering with a charity or lending a hand to a neighbour, this step by step guide tells you how to look after yourself and others. This training was designed by the British Red Cross for anyone who is responding to the coronavirus outbreak. Whether you've been deployed by a charity or have decided to lend a hand to a neighbour, it tells you what you need to know to look after yourselves and others. The content of this course will be regularly updated to reflect the latest situation and advice from government.
