

Hardship Fund Policy

Overview

The St. Ralph Sherwin Catholic Multi Academy Trust (“the Trust”) holds charitable Funds which have unrestricted use within the scope of its stated charitable objectives. Foundation Directors are entitled to hold a part of these Funds as Designated Funds, allocated for a particular purpose. The Foundation Directors have set aside, out of unrestricted funds, a Designated Fund which shall be known as the *Hardship Fund*.

Scope of this Policy

The Trust acknowledges the difficulties faced by many of the families we serve, particularly with the effects of the Coronavirus in 2020 on the community. The Hardship Fund is to provide financial assistance for students who might otherwise miss out on important aspects of their education and is intended to support those most in need.

Objective

The Hardship Fund is a discretionary source of financial help available to all registered full time Academy Students. The aim of this Fund is to help students who are experiencing difficulty through hardship in paying for:

- Curriculum trips, visits and Residential Courses
- Uniform, shoes or sports kit
- Other materials or equipment required for academic studies
- Attendance at Seminars, interviews or work experience placements
- Emergency travel expenses

Consideration will also be given to relieving hardship during recognised Academy holidays by providing access to one free school meal each day for the students concerned.

Monitoring

This Policy will be reviewed annually and also following any change to relevant legislation. The policy is subject always to the financial position of the Trust.

Ownership

This policy is owned by the Trust Board and is applicable to all of the individual Academies within the Trust.

Risk

Policies and procedures implemented by the Trust are present to control our organisation's exposure to risks in line with the Trust's Risk Policy, together with those identified within the Risk Register. All staff and those in Governance roles are expected to be aware of this and all policies of the Trust; together with the procedures in place including any updates issued from time to time. Queries in respect of this and other policies or procedures should be directed to the Trust's Governance Manager who will ensure that adequate training and guidance is provided.

Policy Statement

This policy sets out the basis upon which applications for hardship funding may be made. Individual Academies will consider requests for hardship funding from the following groups of students:

- Students living alone outside the family home
- Students in receipt of free school meals
- Students in families with very low incomes
- Students with disabilities
- Students who are, or have been, in care or foster care
- Students who are, or have been, subject to other exceptional circumstances

Payments from the fund are at the sole discretion of the individual Headteacher. There is no appeal mechanism, and there is no requirement to repay any grant once it has been formally awarded. Fraudulent applications may lead to prosecution.

Funding

Initial funding of £30,000 has been set aside to provide for applications arising in what remains of the year ending 31 August 2021. Annual funding thereafter will depend on the state of the financial affairs of the Trust and will be reviewed at the sole discretion of the Trust's Financial Director. Funding will be reviewed at the start of each financial year.

Provided the application is authorised by the Headteacher, it will be passed to the Trust Financial Team in order to verify and process the transaction. Individual students may apply for hardship support at any time during the academic year and may possibly apply more than once, usually where individual circumstances have not changed.
