# Transformation

Big Question  
How can energy transform?

Think of someone who impresses you deeply because of the way she/he lives. What is it that impresses you? What do you think inspires them?  
Christians believe that the Spirit of God is active in each person and in a special way in the community of believers, which is the church. It is the work of the Spirit to enable people to hear God's message, to respond and share it. The feast of Pentecost is a celebration of the gift of God's Spirit and its transforming power.
