

Topic - Geography Big City vs Small Town

Class 1

Strand: Geography

Idiom - Never eat shredded wheat.

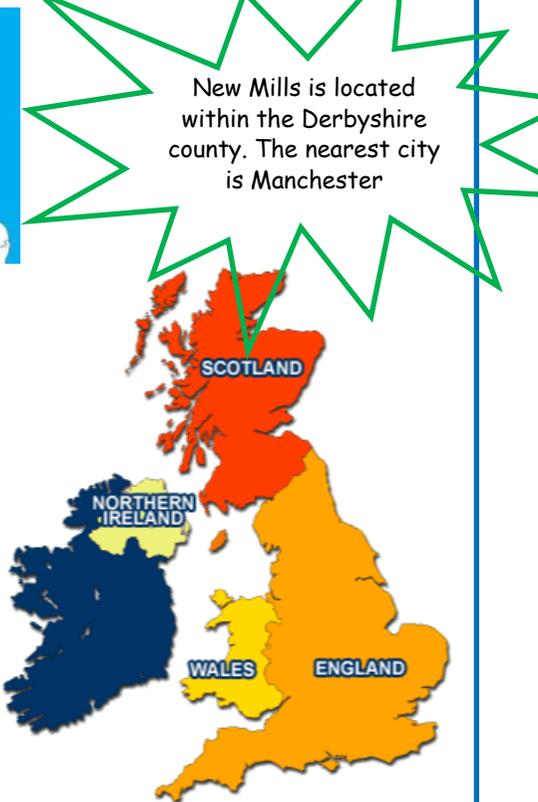

Composites/ Learning focus	Rocket Recaps
1. I can draw a simple map of my local area. I can include a key in my map	Can you name the 7 continents and 5 Oceans of the World?
2. To use a simple map to find key landmarks	Can you name the points on a compass?
3. I can identify human features locally	Can you spot manmade and physical
4. To identify physical features locally	How many countries make up the UK?
5. To identify both physical and human	Can you find the capital city of England?
6. To use simple fieldwork to identify how much traffic passes through New Mills	Can you name the four countries that make up the UK? What are their capital cities?

A tally chart is used to record numbers. You mark 4 lines then the fifth line becomes the gate.
