WHAT RESPONSIBILITIES DO YOU HAVE?

As a Chaplain, you have many responsibilities such as: every Monday you have to prepare a worship. Another responsibility you have is, you have to be confident when reading things out. You also have to lead groups, like Minnie Vinnies. We also need to be organised and we need to be rolemodels for the younger children.

WORSHIPS

Each week we have to prepare a worship for the wholeschool. These help the children to understand more about God and Jesus. In worships we have activities to make the worships more interactive and fun.
