FRIDAY NEWSLETTER

SAINT MARY'S CATHOLIC VOLUNTARY ACADEMY

We've come to the end of another busy and brilliant week! Our lunchtime and after school sports clubs with Mrs Evans started this week, please enjoy the photos below. These are for class 4 at the moment but other classes will get the chance to join sports clubs later in the school year. On Wednesday our year 3 and 4 girls took part in a football competition at the leisure centre. They shined throughout and won on penalties! Next week, it is the turn of the year 5 and 6 girls to play. The boys competition, which takes place the New Mills High School Pavilion, has been postponed due to building work on the field but will take place when this is complete.

On Thursday, our class 4 pupils went to New Mills High School for a science afternoon. They had an amazing time and met some incredible animals, including snakes, a bearded dragon and a hedgehog!

Thank you to everyone who attended our 'special friends' assembly today. This is incredibly important to us, as it is the time that our reception pupils meet their year 6 special friend. The friendships that develop between our special friends is wonderful to see, and is so beneficial to both the reception pupil in building their confidence and learning good behaviour but also to the year 6 pupil, as they understand how they can have a strong, positive influence on others and how important they are to other people.

Our statement to live by this week was, 'I can laugh and have fun.'

Next week we look forward to our maths open day (Tuesday 1st October from 9.10am to 10.00am). Everyone is very welcome to come and see the teaching of maths across school.

Have a lovely weekend,
Mrs Chapman.

Thanks again to everyone who came to our 'meet the teacher' sessions on Wednesday of last week. Apologies for the delay, the presentations from the event can now be viewed here

THIS WEEK'S CELEBRATION OF THE WORD

Mary's Missionaries – we have been learning about this in Monday's liturgy.

The theme this week was 'understanding'.

The mission was to always praise the people around us no matter what their race, religion, gender or their body image is.

The Catholic Social Teaching link was 'rights and responsibilities'. All children have the right to be safe and happy wherever they live around the world.

GIRLS YEAR 3 AND 4 FOOTBALL

Our wonderful year 3 and 4 girls football team played On Wednesday of this week. They listened carefully to the instructions from Mrs Evans, worked fantastically together as a team and played brilliantly throughout the competition. They won on penalties, an absolutely well deserved victory. The girls were superb ambassadors for our school, and we couldn't be more proud of them all.

Next week it is the turn of the year 5 and 6 girls football team to play. If your child is attending, you will have received an e-mail from the school office.

LUNCHTIME PARK CLUB WITH MRS EVANS

As part of our drive to promote healthy active living, children from class 4 will have the opportunity to come and play at the park with Mrs Evans on Monday and Tuesday lunchtimes. We may get muddy!

To Do:

ABSENCES DURING TERM TIME

The Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.

For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carer is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carer is not engaging with the attempt to improve their child's attendance at school.

The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period. At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.

Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

First Offence – The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days. Reduced to **£80** per parent, per child if paid within **21** days.

Second Offence (within 3 years) – The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days.

Third Offence and Any Further Offences (within 3 years) – The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

New registration codes

You might find that your child's attendance report looks slightly different next year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence. For example:

Code C: Leave of absence for exceptional circumstance.

Code C1: Leave of absence for the purpose of participating in a regulated performance. The important thing for you as a parent is still the C which means that the absence was authorised. There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.

Code K: Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage: <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

School attendance update September 2024

Attendance categories

95 to 100% - as expected

91 to 94% - at risk of persistent absence

80 to 90% - persistent absence

51 to 79% - at risk of severe absence

Less than or equal to 50% - severe absence

Support first approach

Missing school means children fall behind. This not only impacts on their future achievement, but also adds additional stress and worry as the pupil attempts to catch up. This can affect their mental health and that of their family.

Schools will always try to offer support to remove barriers to attendance before considering any form of legal intervention however they can only do this with the support of parents. If you do not engage with this support the school may feel that they have no choice than to request the Local Authority consider taking legal action against you for failure to secure your child's regular attendance at school under section 444(T) of the Education Act 1996

Penalty Notice Fines for School Attendance are Changing

With the introduction of the new National Framework for Penalty Notices, the below changes will come into force for Penalty Notice Fines for unauthorised absence after 19th August 2024.

Education Penalty Notices are issued to the parents of statutory school age children and can be issued to each parent or carer who is deemed liable for the child's absence from school.

• First Offence

The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days.

• Second Offence (within 3 years)

The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.

• Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court. Magistrates' fines can be up to £2500 per parent, per child.

Can my child take a holiday in term time?

The simple answer is NO - pupils can only take leave of absence during term time if this is approved in advance by the school. Leave taken without permission may result in a penalty notice and or prosecution.

What Parents & Carers Need to Know about DISNEY+

WHAT ARE THE RISKS?

The Walt Disney Company's streaming service, Disney+ combines entertainment from the famous animation studio itself with Pixar, Star and National Geographic, plus the Marvel and Star Wars franchises. With access to the latest releases, Disney classics and original series, there's plenty of content to explore. While parents may have noted that adverts have now been introduced on some versions of the service, the platform is – unsurprisingly for a Disney product – designed to be appropriate for the whole family.

LESS SUITABLE CONTENT

While Disney+ is predominantly family friendly, there are some movies and shows in its library which are aimed at an older audience: these may scare younger ones or contain themes or language that you'd rather your child wasn't exposed to. You could avoid such situations by enabling Junior Mode (see 'Adjust content settings', below) or specifying a content age rating for your child's profile.

BINGE WATCHING

With the option to view content on any internet-enabled device and a growing catalogue of movies, cartoons and documentaries, Disney+ can make managing screen time difficult. This could result in children binge watching content, distracting them from activities like homework or socialising. Too much screen time has also been shown to negatively impact mood, sleep patterns and weight.

PHISHING EMAILS

Be especially cautious if you receive emails or text messages purporting to be from Disney+. There have been numerous reports of online scammers impersonating Disney+ staff in an attempt to gain access to subscribers' personal information. Disney+ states it will never email or call customers asking for their payment details, their private information or their password.

ENCROACHING ADVERTS

Disney+ has introduced a new subscription package – Disney+ Standard with Ads – which plays commercials before movies and during shows (like many TV channels). There are no adverts in Junior Mode, but profiles with a content rating of 6+ years will see ads appropriate for that age category. Adults who give consent will see personalised adverts based on their location and viewing history.

ACCESSING ADULTS' PROFILES

If adults don't set a PIN for their profile, children could access it and encounter content which isn't age appropriate. In the settings, Junior Mode has a toggle titled 'Kid-Proof Exit' which requires the user to read four words (numbers, spelled out) and enter them to switch profiles. For older children who can read, though, this isn't secure enough – so using a PIN for adult profiles is recommended.

Advice for Parents & Carers

ADJUST CONTENT SETTINGS

When setting up an account, there's an option to create profiles in what's called Junior Mode. This generally covers material that's suitable for children up to age 6 and is therefore fairly limited. You can give older children a wider choice of viewing by building a standard profile, then going into the settings and choosing a content rating from one of the pre-set alternatives: 6+, 9+, 12+ or 14+.

TURN OFF AUTO-PLAY

When a cartoon, show or movie finishes, Disney+ uses algorithms to identify content with similar themes, which it thinks your child will also enjoy. This suggestion will then automatically begin to play by default. There's an option to turn off this auto-play function in the profile settings, which will encourage your child to take a break from the screen and move on to a different activity.

ADD PIN PROTECTION

Disney+ enables you to effectively lock profiles behind a four-digit PIN. In particular, some of the shows on the platform's Star content hub are far more oriented to adults (including several hard-hitting dramas from US networks), so protecting parents' or older siblings' profiles with a PIN will help to prevent younger children stumbling across material which isn't intended for them.

ENJOY AS A FAMILY

When your child watches a movie or show on Disney+ for the first time, you may want to sit with them to ensure it's suitable. You could do the same when introducing them to older films that you haven't seen for years: your perception of what's appropriate has very probably changed, and some of the language and attitudes in movies from your own childhood may seem quite shocking today.

SAFEGUARDING ONLINE

It is really important to think about keeping our children safe online. Please do set parental controls on your children's devices so that you can control what they see and how long they can use their devices for. It is also vital to talk to your children about why you are doing this and let them know that they can talk to you if they see something inappropriate or upsetting.

The NSPCC have some fantastic resources which are free to access, explaining how to keep children safe online and how to set parental controls – <https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides>

They also have guides about social media platforms and how to help children stay safe when using them. As a reminder, **no primary school age pupils should be accessing social media at all. Primary aged children aren't able to understand the consequences of decisions made when using social media, they are at risk because of WHAT THEY MIGHT SEE, WHO THEY MIGHT SPEAK TO and HOW THEY MIGHT BEHAVE. Please help to keep all of our children safe by ensuring that none of our children are using social media.**

Please also be alert to children watching films or playing games which are not appropriate for their age and stage. Always follow the age guidance and be mindful of young children watching upsetting or violent films or playing games not meant for their age, This can be very distressing and can cause long term harm.

SCHOOL CHROMEBOOKS – AS A REMINDER, THE SCHOOL CHROMEBOOKS THAT CLASS THREE AND FOUR CHILDREN HAVE ARE ONLY TO BE USED FOR LEARNING. IN SCHOOL, THE CHROMEBOOKS ARE FILTERED TO ENSURE THAT NO INAPPROPRIATE SITES CAN BE ACCESSED BUT ONCE THE DEVICE IS TAKEN HOME, WE DO NOT HAVE CONTROL OF WHAT IS VIEWED AS THIS IS LINKED TO YOUR HOME WI-FI CONTROLS. CHILDREN SHOULD NOT BE ACCESSING SITES SUCH AS TIKTOK, YOUTUBE, FACEBOOK ETC. ON THESE DEVICES. CHILDREN SHOULD NOT BE LEFT UNSUPERVISED ON THEIR CHROMEBOOKS. IF WE FIND THAT CHILDREN ARE NOT USING THEM PROPERLY, WE WILL REMOVE THE DEVICES FOR HOME USE.
