# **FRIDAY NEWSLETTER**

## **SAINT MARY'S CATHOLIC VOLUNTARY ACADEMY**

A warm welcome to this week's newsletter. This week our Mary's Missionaries led the school in a decade of the Rosary which links to the month of October and we joined the Bishop on Monday morning online for this.

Year 6 and their special friends delivered postcards and posters to our local high street advertising our open day this Saturday. Please tell anyone anyone you know who may have a child starting school next September. Our first open day is from 10.00am till 11.30am this Saturday, 12th October.

On Thursday we enjoyed class 4's liturgy which was a beautiful, child-led session, based on the Rosary. Well done to all of you. Thank you to everyone who came.

Our statement to live by this week was; 'I understand that rights match responsibility.'

During the month of October, class 4 will be taking home a set of Rosary beads. They would like to share their prayers with you by doing a decade of the Rosary. This is; 1 Our Father, 10 Hail Mary's and 1 Glory Be. The children know the prayers but we will be uploading videos onto the school website as well. Once the prayers are completed can you please return the rosary beads to school for another family to use?

Maths lesson – class 2 are learning about estimation using number lines and arrows – please see the video on ClassDojo to observe their wonderful use of mathematical vocabulary!

Our year 5 and 6 boys did brilliantly at the football event this week, working hard as a team. Next week we have a whole class event as class 2 attend a football skills session at New Mills Leisure Centre. Also next week we look forward to class 2's assembly (Thursday 17th October at 9.10am) and the school disco (Friday 18th October – no star of the week on this day). Please see ClassDojo for more information.

Have a lovely weekend

Mrs Chapman.

*This week's blessing.

He's made to you-  
and every one of them was written to bless you.'*

# ABSENCES DURING TERM TIME

The Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

## Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.

For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carer is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

## National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carer is not engaging with the attempt to improve their child's attendance at school.

The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period. At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.

Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

**First Offence** – The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days. Reduced to **£80** per parent, per child if paid within **21** days.

**Second Offence (within 3 years)** – The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days.

**Third Offence and Any Further Offences (within 3 years)** – The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

## Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

## New registration codes

You might find that your child's attendance report looks slightly different next year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence. For example:

**Code C:** Leave of absence for exceptional circumstance.

**Code C1:** Leave of absence for the purpose of participating in a regulated performance. The important thing for you as a parent is still the C which means that the absence was authorised. There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.

**Code K:** Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage: <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

# SCHOOL NOTICES

**Star of the week this week was awarded to someone who is a good communicator.**

**Our dinner table discussion this week was 'if I switch the lights off, would the walls change colour?'**

If you don't currently have access to ClassDojo but you would like to, please speak to the school office.

Please be very careful when parking outside school. Please drive slowly and don't park on the zigzags, even just to drop off. This helps to keep our children safe.

If anyone has changed their name, phone number, address, e-mail address etc. recently please do let us know so that we can amend the database. It is vital that we hold the correct contact details for everyone.

**Our statement of belief this week was - I understand that rights match responsibility.**

High attendance is vitally important to every child, educationally, socially, and legally. This is a good opportunity to remind everyone holidays should not be booked during term time. Headteachers are not permitted to authorise absences unless there are exceptional circumstances. This does not include reduced holiday costs. If a child is not in school and the absence is not authorised, we are under a duty to report this to the Local Authority who may issue you with a penalty notice.

**SCHOOL ATTENDANCE WAS 97.5% THIS WEEK!**

# 10 Top Tips for Parents and Educators TEACHING CHILDREN FIRE SAFETY

Fire safety is especially important around Bonfire Night, as fireworks, bonfires and sparklers add extra risks for families and young children. Every year in the UK, thousands of accidents occur due to improper handling of fireworks and neglecting fire safety measures. This guide offers practical tips for keeping children safe when handling everything from fireworks to space heaters.

## 1 BONFIRE NIGHT AWARENESS

Bonfire Night is exciting, but it comes with several inherent risks. Educate children about the dangers of fireworks and open flames. Teach them that only adults should handle fireworks and that bonfires should never be approached. Keep children at a safe distance (at least five metres away) from bonfires and explain why supervision is crucial during these events.

## 2 SUPERVISE FIREWORK USE

Fireworks should only be handled by responsible adults who are following UK laws and guidelines. Make sure to buy fireworks that meet British Standards and adhere to all instructions that come with them. Keep children a suitable distance from any firework activity and designate an adult to supervise the event. Ensure no one goes near fireworks after they've been lit.

## 3 SPARKLER SAFETY

Sparklers are often captivating for little ones, but they can burn at extremely high temperatures – over 1,000 °C! Only allow children over the age of five to use sparklers, and make sure they wear gloves. Teach them to hold sparklers at arm's length and never wave them near others. Once a sparkler has burned out, extinguish it fully in a bucket of water – which you should prepare beforehand and always keep nearby.

## 4 ORGANISED DISPLAYS ARE SAFER

If possible, families should attend an organised fireworks display rather than holding one at home. These tend to be far safer as they're run by professionals adhering to strict safety regulations. Organised displays also provide a controlled environment where children can enjoy the event from a safe distance, reducing the risk of accidents.

## 5 KEEP FIREWORKS AWAY FROM THE HOME

If you are hosting your own fireworks display, set them off well away from homes, sheds or fences to avoid starting accidental fires. Choose a wide-open space with no flammable materials nearby and keep a means of putting out fires to hand in case of emergency – such as a bucket of water, a hose or a fire extinguisher. Afterwards, ensure that all fireworks are fully extinguished and never attempt to relight one if it doesn't go off.

## 6 BONFIRE SAFETY

If you're building a bonfire, place it well away from trees, buildings, fences or anything else flammable. Make sure it's structurally sound and not at risk of collapsing. Only burn natural materials like wood and leaves, avoiding petrol or other accelerants. Children should be kept far away from the bonfire, and it should always be supervised by adults. Be sure to fully extinguish the bonfire before you leave it.

## 7 "STOP, DROP AND ROLL"

Ensure that children know what to do if their clothing catches fire. Teach them the simple "stop, drop and roll" technique, which can quickly extinguish flames. Practice this with them before events like Bonfire Night, so they feel confident if the need to use it arises. It can also be helpful to keep another means of putting out these kinds of fires on standby, just in case. An extinguisher or flame-retardant blanket are both sound choices.

## 8 SECURE CANDLES AND OPEN FLAMES

Beyond Bonfire Night, everyday fire safety is also crucial. Candles can be a common fire hazard, especially in homes with young children. Teach children not to touch any open flames, and ensure candles are placed in sturdy holders away from combustible materials. Never leave candles, incense burners or other such items unattended, and always extinguish them fully before leaving a room or going to bed.

## 9 EDUCATE ABOUT FIREWORKS HAZARDS

Make sure children understand the dangers of playing with fire or fireworks, and how to handle such things responsibly. Emphasise that fireworks are not toys and can cause serious injuries when improperly used. Demonstrate the importance of treating fire with respect and the consequences of misuse, which can help temper any curiosity and any resultant dangerous behaviour.

## 10 FIRST AID FOR BURNS

Even if you have the best possible precautions in place, accidents can still happen. Keep a first aid kit on hand. Ensure you know how to apply basic first aid to burns, so you can teach children these techniques too. If someone suffers a burn, run it under cool water for 20–30 minutes. Never use creams or ointments, as these retain heat and can cause further damage. Instead, seek medical help if the burn is serious.

# SAFEGUARDING ONLINE

It is really important to think about keeping our children safe online. Please do set parental controls on your children's devices so that you can control what they see and how long they can use their devices for. It is also vital to talk to your children about why you are doing this and let them know that they can talk to you if they see something inappropriate or upsetting.

The NSPCC have some fantastic resources which are free to access, explaining how to keep children safe online and how to set parental controls – <https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides>

They also have guides about social media platforms and how to help children stay safe when using them. As a reminder, **no primary school age pupils should be accessing social media at all. Primary aged children aren't able to understand the consequences of decisions made when using social media, they are at risk because of WHAT THEY MIGHT SEE, WHO THEY MIGHT SPEAK TO and HOW THEY MIGHT BEHAVE. Please help to keep all of our children safe by ensuring that none of our children are using social media.**

Please also be alert to children watching films or playing games which are not appropriate for their age and stage. Always follow the age guidance and be mindful of young children watching upsetting or violent films or playing games not meant for their age, This can be very distressing and can cause long term harm.

**SCHOOL CHROMEBOOKS – AS A REMINDER, THE SCHOOL CHROMEBOOKS THAT CLASS THREE AND FOUR CHILDREN HAVE ARE ONLY TO BE USED FOR LEARNING. IN SCHOOL, THE CHROMEBOOKS ARE FILTERED TO ENSURE THAT NO INAPPROPRIATE SITES CAN BE ACCESSED BUT ONCE THE DEVICE IS TAKEN HOME, WE DO NOT HAVE CONTROL OF WHAT IS VIEWED AS THIS IS LINKED TO YOUR HOME WI-FI CONTROLS. CHILDREN SHOULD NOT BE ACCESSING SITES SUCH AS TIKTOK, YOUTUBE, FACEBOOK ETC. ON THESE DEVICES. CHILDREN SHOULD NOT BE LEFT UNSUPERVISED ON THEIR CHROMEBOOKS. IF WE FIND THAT CHILDREN ARE NOT USING THEM PROPERLY, WE WILL REMOVE THE DEVICES FOR HOME USE.**
