FRIDAY NEWSLETTER

SAINT MARY'S CATHOLIC VOLUNTARY ACADEMY

Welcome to the last newsletter of this year. This week is the third Sunday in Advent.

*'Lead us in your ways
as together we make a change
so all people may rejoice and
be glad.'*

A huge thank you to the PTA for the 'Christmas Carousel' day on Friday of last week. The children has a wonderful time. Please enjoy the photos below! Thank you to everyone who sent in the £2.00 for the carousel day, as well as for all the other donations we have received. Over £600 was raised from the carousel, the raffle and the Christmas productions. Thank you to everyone for your generosity, this money will benefit every child in school.

Last Thursday, Class 3 and 4 sang carols to raise funds for Church in Need. Well done to all of the pupils. Thank you to Dan, our lay chaplain, and Miss Watson, our music teacher. So far we have raised £104. 57.

Congratulations to the 4 pupils who read at Mass last Sunday. You were all excellent. The parishioners commented on how well you all spoke during your readings.

Class 3 visited Watford Care Home to sing carols and spread joy this week. The residents and staff were all delighted to hear them sing so beautifully. Well done class 3.

Please join us on Christmas Eve at church for the children's candlelight procession (please see the information on the next page which also includes Christmas Mass times).

We look forward to welcoming everyone back on Monday 6th January. If any adults have some spare time, why not come and volunteer to read with key stage one children? Contact the school office for more information.

Christmas blessings to everyone.

Mrs Chapman.

ABSENCES DURING TERM TIME

The Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.

For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carer is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carer is not engaging with the attempt to improve their child's attendance at school.

The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period. At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.

Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

First Offence – The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years) – The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years) – The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

New registration codes

You might find that your child's attendance report looks slightly different next year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence. For example:

Code C: Leave of absence for exceptional circumstance.

Code C1: Leave of absence for the purpose of participating in a regulated performance. The important thing for you as a parent is still the C which means that the absence was authorised. There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.

Code K: Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage: <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

SCHOOL NOTICES

No star of the week assembly this week.

Our dinner table discussion this week was 'are clouds in, under or above the sky?'

If you don't currently have access to ClassDojo but you would like to, please speak to the school office.

Please be very careful when parking outside school. Please drive slowly and don't park on the zigzags, even just to drop off. This helps to keep our children safe.

If anyone has changed their name, phone number, address, e-mail address etc. recently please do let us know so that we can amend the database. It is vital that we hold the correct contact details for everyone.

Our statement of belief this week was – I know I belong in a community that includes my school.

High attendance is vitally important to every child, educationally, socially, and legally. This is a good opportunity to remind everyone holidays should not be booked during term time. Headteachers are not permitted to authorise absences unless there are exceptional circumstances. This does not include reduced holiday costs. If a child is not in school and the absence is not authorised, we are under a duty to report this to the Local Authority who may issue you with a penalty notice.

SCHOOL ATTENDANCE WAS 95% THIS WEEK!

10 Top Tips for Parents and Educators SAFETY OVER THE FESTIVE SEASON.

The holiday season, marked by Christmas and New Year, brings joy and togetherness but also presents unique safety challenges for children, families and educators. From busy holiday shopping, traveling and family gatherings to managing digital activity during school breaks, staying safe during this period requires heightened awareness. This guide offers practical tips to help families and educators maintain a more secure and fulfilling festive period.

1 MONITOR DIGITAL ACTIVITY

Children spend more time online during school holidays, increasing exposure to potential dangers such as cyberbullying, inappropriate content and online predators. Balancing screen time, avoiding harmful websites and ensuring children engage positively online can be difficult without proper monitoring tools. Set clear boundaries, encourage open discussions about online safety and use parental controls to manage content exposure and screen time effectively. Regular check-ins and positive reinforcement around digital habits encourage safe online behaviour.

2 PRACTICE FIRE SAFETY PROTOCOLS

The incidence of house fires increases during Christmas due to greater use of candles, cookers and electrical decorations. Open flames, electrical overloads and the need for quick response plans can make fire safety challenging. Ensure smoke detectors are operational, keep fire extinguishers on hand and teach children how to respond in case of a fire emergency. Avoid leaving cooking unattended and use fire-safe candles to prevent mishaps.

3 CREATE TRAVEL SAFETY PLANS

More families tend to travel during the holidays, resulting in busier roads, increased traffic accidents and weather-related hazards. Weather conditions, road rage, fatigue and busy airports can all compromise travel safety. Pack emergency kits and adhere to seatbelt laws. Plan routes in advance and allow extra travel time to avoid rushing and mitigate risks on busy roads.

4 BEWARE OF ALLERGIES

Holiday meals often involve many foods that may contain allergens. Cross contamination, unclear labelling and lack of allergy-friendly options can lead to severe reactions. Communicate any allergy needs to hosts, provide safe food alternatives and carry necessary medications like antihistamines or EpiPens. Teaching children how to advocate for themselves and recognise dangerous foods also contributes to safer celebrations.

5 PREVENT THE SPREAD OF ILLNESS

Cold weather and seasonal socialising can increase the spread of viruses like flu and COVID-19. Crowded gatherings, schools out of session and frequent travel can lead to higher infection risks. Emphasise hygiene, encourage vaccination, disinfect surfaces and isolate symptomatic individuals. Communication with children about proper hygiene practices is essential to reduce the spread of illness.

6 STAY VIGILANT ON THE ROAD

Increased holiday traffic heightens the risk of accidents for both drivers and pedestrians. Distracted driving, pedestrian safety and inclement weather can complicate road safety. Encourage pedestrian safety practices, avoid distracted driving and never drive under the influence.

7 MAINTAIN SAFE DECORATIONS

Festive decorations such as Christmas lights and candles can pose electrical, fire and choking hazards if mishandled. Frayed wires, toppling Christmas trees, small ornaments and open flames can be difficult to control, especially in busy households with children. Inspect and maintain decorations, secure Christmas trees, place fragile or small items out of reach and ensure candles are never left unattended. Testing smoke alarms and using flame-retardant decorations can significantly reduce risks.

8 SET BOUNDARIES FOR GIFTS

Some toys and gadgets can present choking, sharp-edge or safety risks, particularly for young children. Ensuring that gifts meet safety standards and are age appropriate can be complex with so many options available. Inspect all toys carefully and ensure any tech devices have parental controls. Setting expectations around safe gift use and discarding packaging that poses a risk also helps to prevent accidents.

9 ADDRESS STRESS & FATIGUE

Holiday pressures can lead to burnout, which affects both physical and mental health. Overpacked schedules and a lack of downtime can cause stress and fatigue, leading to accidents or poor decision making. Incorporate rest, maintain regular routines and seek support to reduce stress. Encourage activities that promote relaxation to create a healthier, happier holiday experience for everyone.

10 DRINK RESPONSIBLY

Alcohol is commonly present at holiday events, raising concerns about safety and supervision. Excessive alcohol consumption can lead to accidents, impaired judgment and lack of supervision for children. Designate responsible adults, limit consumption and provide transportation alternatives for guests. Teaching moderation and modelling responsible behaviour in front of children ensures that celebrations remain positive and secure.

SAFEGUARDING ONLINE

It is really important to think about keeping our children safe online. Please do set parental controls on your children's devices so that you can control what they see and how long they can use their devices for. It is also vital to talk to your children about why you are doing this and let them know that they can talk to you if they see something inappropriate or upsetting.

The NSPCC have some fantastic resources which are free to access, explaining how to keep children safe online and how to set parental controls – <https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides>

They also have guides about social media platforms and how to help children stay safe when using them. As a reminder, **no primary school age pupils should be accessing social media at all. Primary aged children aren't able to understand the consequences of decisions made when using social media, they are at risk because of WHAT THEY MIGHT SEE, WHO THEY MIGHT SPEAK TO and HOW THEY MIGHT BEHAVE. Please help to keep all of our children safe by ensuring that none of our children are using social media.**

Please also be alert to children watching films or playing games which are not appropriate for their age and stage. Always follow the age guidance and be mindful of young children watching upsetting or violent films or playing games not meant for their age, This can be very distressing and can cause long term harm.

SCHOOL CHROMEBOOKS – AS A REMINDER, THE SCHOOL CHROMEBOOKS THAT CLASS THREE AND FOUR CHILDREN HAVE ARE ONLY TO BE USED FOR LEARNING. IN SCHOOL, THE CHROMEBOOKS ARE FILTERED TO ENSURE THAT NO INAPPROPRIATE SITES CAN BE ACCESSED BUT ONCE THE DEVICE IS TAKEN HOME, WE DO NOT HAVE CONTROL OF WHAT IS VIEWED AS THIS IS LINKED TO YOUR HOME WI-FI CONTROLS. CHILDREN SHOULD NOT BE ACCESSING SITES SUCH AS TIKTOK, YOUTUBE, FACEBOOK ETC. ON THESE DEVICES. CHILDREN SHOULD NOT BE LEFT UNSUPERVISED ON THEIR CHROMEBOOKS. IF WE FIND THAT CHILDREN ARE NOT USING THEM PROPERLY, WE WILL REMOVE THE DEVICES FOR HOME USE.
