FRIDAY NEWSLETTER

SAINT MARY'S CATHOLIC VOLUNTARY ACADEMY

Welcome to this week's newsletter. Another busy week!

There was a different start to Monday this week with a special birthday being celebrated with all the children!

On Wednesday, class three started their first session of cheerleading training. We look forward to seeing how they progress over the term.

Year 5 had a fantastic time at the Briars. We hope you enjoyed seeing the updates on ClassDojo.

Thank you to the PTA for organising this term's house winners event with New Mills Leisure Centre. We enjoyed mini games and challenges. Thank you so much to the adults who supported the children for this session. We'll post the photos next week!

Parents and carers of children in class 2 - just a quick reminder that no parents should be going around to the back of class 2 in the mornings. When the adult opens the doors for children to come in (8.45am), class 2 children can make their way to class 2's door where staff will meet them. This helps to keep everyone safe. If you need to speak to staff urgently, please let Mrs Oxley know.

Next week we have the parent/carer consultation sessions on Monday and Tuesday (no SATs club on Monday after school), the Lenten service on Thursday at 2.30pm (all welcome) and the CAFOD whole school walk (all welcome, please come along if you can!). We then break up for Easter until Tuesday 22nd April.

Have a lovely weekend,
Mrs Chapman.

ABSENCES DURING TERM TIME

The Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.

For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carer is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carer is not engaging with the attempt to improve their child's attendance at school.

The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period. At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.

Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

First Offence – The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years) – The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years) – The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

New registration codes

You might find that your child's attendance report looks slightly different next year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence. For example:

Code C: Leave of absence for exceptional circumstance.

Code C1: Leave of absence for the purpose of participating in a regulated performance. The important thing for you as a parent is still the C which means that the absence was authorised. There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.

Code K: Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage: <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

What Parents & Educators Need to Know about BLUESKY SOCIAL APP

AGE RESTRICTION
13+

With an App Store rating of 17+ & Google Play rating Mature

WHAT ARE THE RISKS?

While Bluesky has been around since 2019, it's suddenly taken off in a big way thanks to a significant exodus from X (formerly Twitter). Indeed, it looks and behaves a lot like Twitter before Elon Musk bought the platform. Bluesky has been touted in recent months as a safer, more open-minded alternative to X – but like any social media site, it still has its share of risks.

NO PRIVATE ACCOUNTS

While most social networks allow accounts to be private, at the time of writing, all Bluesky accounts must be public. The development team has indicated this might change in the future, but the app is built on a public-first protocol. If private accounts are ever introduced, it may only be in a limited way – such as through the implementation of group chats.

INTERACTIONS WITH STRANGERS

Every account being public means that anyone can be contacted by anyone else. While users don't have to respond and can easily block people and move on, it does mean that youngsters are at particular risk of being conned by scammers, messaged by predatory adults or exposed to others with ill intentions. These hazards can be compounded by the fact that Bluesky doesn't require its users to provide their real name.

TROLLING AND BULLYING

While Bluesky currently feels a lot friendlier than X seems to have become, its lack of private accounts means that there's nothing to stop users from trolling and cyberbullying younger people. While accounts can be blocked and reported, a persistent bully could simply create a new profile, potentially making their victims feel unsafe in continuing to use the app.

DANGEROUS MISINFORMATION

Established news organisations have fact-checking and editing processes, but social networks have no such controls and can often serve as breeding grounds for misinformation and disinformation. Bluesky will possibly be no different once it reaches a certain size, and children may not have the critical thinking skills to tell fact from fiction – or to discern an informative, honest user from a malicious one.

ADULT TARGET AUDIENCE

Bluesky isn't designed with children in mind, and there aren't many parental controls on the platform. In an interview with the BBC, Bluesky's CEO originally said that the app would only allow users aged 18 and above to sign up, but a spokesperson later clarified its age restriction as 13+. This could imply the app was originally meant for an adult audience and suggests that making the platform more child-friendly might not currently be a priority.

RAPID GROWTH

At the time of writing, Bluesky seems calm in comparison with other social networks where moderation is lax and the atmosphere toxic – but that's due at least in part to its smaller community. The app has recently been adding as many as a million users per day, and if that continues, there'll be more unpleasant users to handle, and moderators could struggle to maintain the pleasant environment Bluesky is currently known for.

Advice for Parents & Educators

USE THE ADULT CONTENT FILTER

Bluesky doesn't have much in the way of parental controls, but there are content filters which can hide sexual and graphic imagery. These are enabled by default for underage accounts but can be manually turned on in the 'Moderation' section of the app's settings. The 'advanced' Bluesky Moderation Service lets you restrict content even further, hiding – for example – self-harm content, extremist rhetoric, and even rude posts.

ENCOURAGE BLOCKING AND REPORTING

Another tool that Bluesky uses to ensure a decent experience is muting and blocking accounts. The former prevents you from seeing a specific user's content, while the latter stops them from seeing yours. If a child is encountering trolls or bullies on the platform, encourage them to use this function, while also reporting the offenders to help make the platform a nicer place for everyone.

LOOK OUT FOR FAKES

Impersonation is a problem on all social networks. While the consequences are usually benign, imposters sometimes attempt to scam or groom children by pretending to be a popular influencer or online personality. Bluesky is unique in that it can be connected to official domains, with users' handles linking to other sites; while this isn't widely used right now, it could be a reliable way to verify celebrities and public figures in future.

KEEP AN OPEN DIALOGUE

As with all social media platforms, moderation and content filters can only do so much; it's highly likely that a child will eventually face something unsavoury. For that reason, it's important to make sure that young people are aware of the risks and know how to handle the technology if anything they see on the app makes them feel unsafe or uncomfortable.

SCHOOL NOTICES

No star of the week this week.

If you don't currently have access to ClassDojo but you would like to, please speak to the school office.

Please be very careful when parking outside school. Please drive slowly and don't park on the zigzags, even just to drop off. This helps to keep our children safe.

Our dinner table discussion this week was 'can you touch the wind?'

No photography or videos are allowed on personal devices in school. This includes during sports days, assemblies, performances and school trips. This is to keep our most vulnerable children safe.

If anyone has changed their name, phone number, address, e-mail address etc. recently please do let us know so that we can amend the database. It is vital that we hold the correct contact details for everyone.

Our statement of belief this week was - I understand what trust means.

High attendance is vitally important to every child, educationally, socially, and legally. This is a good opportunity to remind everyone holidays should not be booked during term time. Headteachers are not permitted to authorise absences unless there are exceptional circumstances. This does not include reduced holiday costs. If a child is not in school and the absence is not authorised, we are under a duty to report this to the Local Authority who may issue you with a penalty notice.

SCHOOL ATTENDANCE WAS 98% THIS WEEK!

SAFEGUARDING

If you have any concerns about a child or something else, please contact one of St Mary's designated leads for Safeguarding on safeguarding@nmm.srscmat.co.uk, who are:

Mrs Chapman – Headteacher and Senior Safeguarding lead

Mrs Mallabar – Designated Safeguarding Lead, Class Teacher and Mental Health Ambassador

Mrs Laura Chapman (SENCO) – Designated Safeguarding Lead

Mr Matthew Pearson – Designated Safeguarding Lead, Class Teacher

As a school, we are always here to support you and your family. If your family circumstances have changed, for example a loss of a loved one, a separation or even a house move, please do let us know. Changes like these will impact children and it would really help if we knew about your changing circumstances to help us best support you all.

SAFEGUARDING ONLINE

It is really important to think about keeping our children safe online. Please do set parental controls on your children's devices so that you can control what they see and how long they can use their devices for. It is also vital to talk to your children about why you are doing this and let them know that they can talk to you if they see something inappropriate or upsetting.

The NSPCC have some fantastic resources which are free to access, explaining how to keep children safe online and how to set parental controls – <https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides>

They also have guides about social media platforms and how to help children stay safe when using them. As a reminder, **no primary school age pupils should be accessing social media at all. Primary aged children aren't able to understand the consequences of decisions made when using social media, they are at risk because of WHAT THEY MIGHT SEE, WHO THEY MIGHT SPEAK TO and HOW THEY MIGHT BEHAVE. Please help to keep all of our children safe by ensuring that none of our children are using social media.**

Please also be alert to children watching films or playing games which are not appropriate for their age and stage. Always follow the age guidance and be mindful of young children watching upsetting or violent films or playing games not meant for their age, This can be very distressing and can cause long term harm.

SCHOOL CHROMEBOOKS – AS A REMINDER, THE SCHOOL CHROMEBOOKS THAT CLASS THREE AND FOUR CHILDREN HAVE ARE ONLY TO BE USED FOR LEARNING. IN SCHOOL, THE CHROMEBOOKS ARE FILTERED TO ENSURE THAT NO INAPPROPRIATE SITES CAN BE ACCESSED BUT ONCE THE DEVICE IS TAKEN HOME, WE DO NOT HAVE CONTROL OF WHAT IS VIEWED AS THIS IS LINKED TO YOUR HOME WI-FI CONTROLS. CHILDREN SHOULD NOT BE ACCESSING SITES SUCH AS TIKTOK, YOUTUBE, FACEBOOK ETC. ON THESE DEVICES. CHILDREN SHOULD NOT BE LEFT UNSUPERVISED ON THEIR CHROMEBOOKS. IF WE FIND THAT CHILDREN ARE NOT USING THEM PROPERLY, WE WILL REMOVE THE DEVICES FOR HOME USE.
