Additional Notes & Follow-up Actions:

- **RE Progress Awareness:** Parents receive updates on their child's progress in RE through parent consultations and annual school reports. We have now added each new knowledge mat to class dojo so they can be discussed at home. These are also available on our school website <https://www.stmarysnewmills.srscmat.co.uk/curriculum/curriculum/come-and-see/> In addition we have organised 6 sessions for all parents to visit school throughout the year so pupils can share their RE work with them.
- **Enjoyment of RE Lessons:** Student voice data shows 90% enjoyment. Parents are encouraged to discuss with their child why they may not enjoy RE and provide feedback.
- **Spiritual & Moral Development:** Supported through prayer, RE teaching, and personal development activities, including school groups, trips, and residential.
- **Parent Concerns:** Two parents mostly disagreed with the survey statements. The school is open to a meeting to discuss their concerns further.
