

Desert to Garden

1.	Ashes on the Forehead	On Ash Wednesday, Christians go to Mass, where the priest places ashes on their foreheads in the shape of a cross. The ashes come from burning last year's palm branches from Palm Sunday. This reminds people that life on Earth is temporary and that they need to think about their actions and be sorry for their sins. The priest often says, "Remember that you are dust, and to dust you shall return."
2.	A Day of Fasting and Prayer	☐ Ash Wednesday is the first day of Lent, a 40-day period where Christians focus on prayer, fasting, and doing good things. Fasting means giving up something like sweets or food to make space for more time to pray and reflect. This is a way of showing that people care more about God than anything else.
3.	Reflect on Sin	The readings at Ash Wednesday Mass often talk about how Christians should admit their sins and ask for God's forgiveness. It's a time to reflect on things we might have done wrong and try to be better. Lent is a time to listen to God's call to return to Him and to change bad habits.
4.	Repentance and Change	Lent is about more than just giving up something; it's also about changing how you act and trying to be kinder, more generous, and closer to God. Christians might choose to help others, pray more often, or do kind things as a way of answering God's call and showing that they want to live a better life.
5.	Prayer and Almsgiving	During Lent, Christians remember the importance of prayer, which helps them connect with God. They might pray more during this time, ask for help in their struggles, and try to listen to what God is saying. Almsgiving means giving to people who need help, like donating food or money to the poor. These actions help Christians live out what they hear during the Ash Wednesday Mass and throughout Lent.
