What does

'Keeping Safe' mean?

- ♥ You are protected from harm.
- ♥ Your health, feelings and learning aren't affected by anything bad.
- ♥ You grow up safe, happy and able to learn.
- ♥ You have the best chance to do well and enjoy life.

What to do if you're worried or upset?

**Talk to a
grown up!**

Trusted adults like teachers, lunchtime staff and Safeguarding leads.

Grown-ups won't keep secrets about your worries, they will find the people who can give the best help.

You'll be listened to and taken seriously.

We are here to help.

Learning to be Safe.

You will learn about staying safe:

In your 'All About Me' lessons (PSHE/RSHE)

In Computing, so you know how to stay safe online.

On our different awareness days and from different visitors in school.
