FRIDAY NEWSLETTER

SAINT MARY'S CATHOLIC VOLUNTARY ACADEMY

A warm welcome to this week's newsletter. Well done to all our pupils in Year 5 and 6 who competed in the athletics events at New Mills Leisure Centre on Wednesday. We are very proud of you all.

The Lacrosse after school club with Miss Baythorpe continues every Thursday after school for year 3 children.

As you know, we have had our Catholic inspection this week. We'd like to thank everyone for the messages of kind support that we've received.

Over the next few weeks the willow tunnels will be pruned if you would like spare cuttings please let us know.

Looking forward to the weeks ahead, we have the class one fundraising day in aid of CAFOD on the 10th February. Class 4 are visiting the Galleries of Justice in Nottingham on Wednesday 11th February and we have our collapsed curriculum day for art and DT on Thursday 12th February. All parents and carers are welcome to come into school on this day at 2.45pm to look at children's work in the hall. Our Minnie Vinnie's will be organising a cake sale as well on this day to raise funds for the Ronald McDonald House charity.

On Friday 13th February, we are hoping to attend a darts festival at Glossopdale school, more information on this to follow. Also on Friday 13th February, we are having our PTA disco which takes place during the Friday afternoon in school time. Please see the poster below for more information. We have sent home a 'design a heart' sheet for children to colour in. These will be used to decorate the hall on disco day. We can't wait!

Have a lovely weekend everyone and stay safe.

Mrs Chapman.

THIS WEEK'S CELEBRATION OF THE WORD

Mary's Missionaries delivered the whole school celebration of the word based on scripture. Pupils were asked to list their favourite stories from the bible. Their mission was to share a bible story with adults at home. The Catholic Social Teaching strand was, Rights and Responsibilities and the school virtue was Faith.

Week 3 in Ordinary Time

Year A

Word of the Week

Scripture

First Reading:
Isaiah 8:23—9:3

Gospel Reading:
Matthew 4:12-23

Hebrew Bible:
Proverbs 4: 20-23

New Testament:
Matthew 7: 24-27

Theme:
Scripture is the Word of God. It is a collection of sacred writings that tell the story of God's love for humanity. As we read scripture, we learn about God's plan for our lives, and we are inspired to live a life of faith. Scripture can also be a source of comfort and guidance in difficult times and it speaks to us throughout our lives.

Mission:
Find a passage from the Gospels that you've not read before - reflect on what it might mean to you.

Mission: Find a passage from the Gospels that you've not read before - reflect on what it might mean to you.

Scripture

We believe that Scripture is a way for God to communicate his word and message to us. In liturgical settings we conclude a reading of scripture with the words: 'The Word of the Lord' to remind ourselves that God is speaking to us in this way.

School attendance

The importance of school attendance

We want our children at Saint Mary's to enjoy coming to school and to love their learning. Our attendance target for the whole school is 95% or above.

Research shows that there is a high correlation between school attendance, academic performance and success. Absence from school is often the biggest single cause of poor performance and achievement.

Why is it so important to attend every day?

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s). Each missed lesson is a missed learning opportunity.
- Reading the material and completing work independently does not compensate for direct interaction with a teacher.
- Teachers often use whole class discussions, demonstrations, debate, experiments and small group work as part of their daily learning activities, and these cannot be caught up by those who are absent.
- Parents and carers have a legal duty to ensure that their child receives an education.

Are there other benefits to my child?

- Pupils with good attendance records generally achieve higher grades and enjoy school more.
- Having a good education will help to give your child the best possible start in life.
- Regular school attendance patterns encourage the development of other responsible patterns of behaviour including independence skills and life skills.

What are the risks of frequent absences?

- A child who does not attend school regularly will be unlikely to keep up with the work.
- The more a child misses school, the lower their grades; the lower their grades, the less they want to stay at school. The only way to break this cycle is regular, high levels of attendance.

What can parents do to help?

- Parents and carers must model how they value education, including the importance of regular attendance, good punctuality, being respectful to teachers etc.
- If your child starts missing school, work with us to put things right. We are here to support you.
- If your child is ill or must miss school for some other reason, contact school immediately.
- Take an interest in your child's schoolwork and be involved in the school as much as possible – your child will value school more if you do. Come to assemblies, join the PTA, attend parent consultation appointments etc.
- Read with your child/children every night. Reading helps to build a strong and rich vocabulary. It increases empathy, showing children new perspectives and new worlds. Even five minutes per night is hugely beneficial.
- If you are not sure if your child should attend school due to illness, contact the school office who will advise you.

Check your child's attendance percentage on the Arbor app and compare it to this grid!
If you don't have access to Arbor, please let the school office know.

If you need help to increase your child's attendance, speak to your class teacher or the school office.

We are delighted to announce that Paintbox High Peak will be starting a new after school club with us on Fridays beginning on Friday 27th February. This follows the questionnaire we sent out to everyone about wraparound provision.

Places are limited so please see the information below to book your child a place on this club.

...

Dear Parents/Carers,

We are very pleased to offer the opportunity to join our weekly art club at St Mary's Catholic Voluntary Academy, New Mills, led by Paintbox High Peak. The club will start after February half term and run after school on Friday's 3.15–4.20pm.

Sessions will run this coming term on Friday 27th February – Friday 27th March.

This club is open to all year groups and is designed to be creative, inclusive and fun! This term we are taking inspiration from Henri Matisse. Children will explore art inspired by Henri Matisse focusing on bold colours, simple shapes, collage and cut outs, creative expression and confidence. Matisse's work encourages creativity without pressure, has no right or wrong outcome, builds confidence and independence and is highly visual and engaging.

Over the 5 weeks children will, create abstract art using colour and shape, paint their own papers, make nature inspired collages, explore movement through dancing figures and create a final independent masterpiece!

Places are limited to 20 children and will be offered on a first come first served basis. The cost is £7.00 per session, the club is booked as a full-term course. The total cost of this term is £35.00

Payment details: Paintbox Account Number: 50154155 Sortcode:04–00–03

Reference: SMNM followed by your child's name E.G SMNMPaintbox

Please email the below address to book your place.

If you have any questions, please get in touch!

Many Thanks

ABSENCES DURING TERM TIME

The Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.

For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carer is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carer is not engaging with the attempt to improve their child's attendance at school.

The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks.

A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period. At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.

Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

First Offence – The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days. Reduced to **£80** per parent, per child if paid within **21** days.

Second Offence (within 3 years) – The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days.

Third Offence and Any Further Offences (within 3 years) – The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

New registration codes

You might find that your child's attendance report looks slightly different next year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence. For example:

Code C: Leave of absence for exceptional circumstance.

Code C1: Leave of absence for the purpose of participating in a regulated performance. The important thing for you as a parent is still the C which means that the absence was authorised. There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.

Code K: Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage: <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

What Parents & Educators Need to Know about DIGITAL DEVICES & WELLBEING

Children aged 7 to 14 now spend roughly 3 to 5 hours a day on phones, tablets, consoles, and computers. That much screen time has parents and educators worried – not just about the hours logged, but about online safety and the knock-on effects on mental health. This guide brings together practical, expert-backed strategies so adults can nurture healthier digital habits and help young people thrive both on and offline.

WHAT ARE THE RISKS?

SLEEP DISRUPTION

Excessive screen time, especially before bed, can interfere with melatonin production and delay sleep onset. Children may struggle to concentrate or regulate emotions due to poor sleep hygiene linked to late-night device use.

ONLINE PEER PRESSURE

Social media platforms expose children to unrealistic standards and peer validation loops. Likes, comments, and follower counts can influence self-worth and lead to anxiety or risky behaviour to gain approval.

CYBERBULLYING EXPOSURE

Children may encounter bullying through messaging apps, games, or social media. This can be persistent and anonymous, making it harder to detect. Victims often feel isolated and reluctant to report incidents.

REDUCED PHYSICAL ACTIVITY

Time spent on screens often replaces outdoor play and physical activity. This sedentary lifestyle can contribute to obesity, poor posture, and reduced cardiovascular health.

EMOTIONAL DYSREGULATION

Fast-paced digital content can overstimulate young brains. Children may become irritable, impatient, or struggle with boredom and emotional control when not engaged with screens.

PRIVACY AND SAFETY RISKS

Children may unknowingly share personal information or interact with strangers online. Without guidance, they may not understand the long-term consequences of digital footprints or unsafe online behaviour.

Advice for Parents & Educators

SET CLEAR BOUNDARIES

Establish screen-time limits and device-free zones, e.g. classrooms and dinner tables. Use parental controls and co-create a digital use agreement with children to encourage accountability. Trying a visual schedule or timer app can help children understand and stick to limits.

MODEL HEALTHY HABITS

Children mirror adult behaviour. Demonstrate balanced device use, take regular screen breaks, and prioritise face-to-face interactions to reinforce positive behaviours. Making a habit of putting your phone away during meals and conversations can show that real-life interactions come first.

ENCOURAGE OPEN DIALOGUE

Create a safe space for children to talk about their online experiences. Ask open-ended questions like, "What did you enjoy online today?" to build trust and awareness. Try setting aside 10 minutes each day for a digital check-in where children can share what they've seen or done online.

PROMOTE DIGITAL LITERACY

Teach children how to evaluate online content, recognise misinformation, and understand privacy settings. Empower them to think critically and act responsibly in digital spaces. You could use real-life examples from the news or social media to help children practise spotting fake information.

SCHOOL NOTICES

No Star of the Week this week.

If you don't currently have access to ClassDojo, ParentPay or Arbor but you would like to, please speak to the school office.

No photography or videos are allowed on personal devices in school. This includes during sports days, assemblies, performances and school trips. This is to keep our most vulnerable children safe.

If you need to drive to school, please drive and park considerately, avoiding the zigzags. We regularly get complaints from neighbours about poor parking, especially parking across the lane towards the top of Longlands Road. The police have confirmed that this lane is classed as a road, so blocking it is illegal. The people that live there are unable to leave if cars are blocking the lane, which means people are being made late for work, not able to get their own children to school, being late for appointments etc. This isn't fair. Please don't block this lane and please park using consideration.

Parking is available at the church and higher up Longlands road where the youth club is. If you can walk to school, or park a little further away, please do so. Thank you for reading this.

You can check your child's attendance percentage on Arbor! This is updated daily. Please let the school office know if you need any help with this.

We will start using Arbor app notifications very soon so please log in!

High attendance is vitally important to every child, educationally, socially, and legally. This is a good opportunity to remind everyone holidays should not be booked during term time. Headteachers are not permitted to authorise absences unless there are exceptional circumstances. This does not include reduced holiday costs. If a child is not in school and the absence is not authorised, we are under a duty to report this to the Local Authority who may issue you with a penalty notice.

Our dinnertime discussion this week was –
'which would be worse, a world without love or a world full of hate (or are they the same thing)?'

SCHOOL ATTENDANCE WAS 86.9% THIS WEEK!

Winter infections in children – guidance for parents/guardians

This leaflet gives advice on illnesses that are currently affecting nursery and school children across the East Midlands

What are the symptoms?

There are two groups of symptoms:

- Diarrhoea and vomiting – usually lasting 1-2 days
- Fever, tiredness, runny nose, cough and sore throat – lasting 3-4 days

What should I do if my child is unwell?

- If your child has diarrhoea and/or vomiting symptoms, they should not attend nursery/school until they have been symptom free for 48 hours
- If your child has a high temperature and is unwell, it is very important they stay at home and don't attend school until they have recovered. Children with mild symptoms like runny nose, sore throat, or mild cough, who are otherwise well, can continue to attend school.

Ensure they drink plenty of fluids – taking sips rather than gulps, to avoid vomiting

If they have a fever – give child paracetamol and/or ibuprofen, according to manufacturer's instructions. Your local pharmacist can also advise you about the best treatment for your child

If your child is unusually sleepy, can't take fluids or has other symptoms, such as an unusual rash, headache or neck stiffness – **seek medical advice immediately**

Infection control advice

Handwashing is one of the most important ways to prevent the spread of both of these infections. This applies to the child who is ill and the person caring for them. Hands should be washed using soap and rinsed under running water:

- Before and after caring for the child
- After using the toilet
- Before eating, preparing or handling food
- After cleaning up spills (vomit, diarrhoea or urine)

Also – keep a separate towel for each family member who has symptoms, and change them regularly

Dry hands thoroughly

Other control measures:

- Cover nose and mouth when coughing or sneezing, using a tissue if possible – dispose of used tissues immediately and wash hands

- Wash soiled clothing, bed linen and towels at 60°C, using detergent – if possible, wear disposable gloves to handle contaminated items

Surfaces and touch points (taps, toilet flush handle, door handles) should be cleaned then disinfected with bleach-based cleaner

Check that your child is up to date with their [NHS vaccinations schedule](#)

For further information, visit [NHS.uk](#) and search for 'respiratory infections' and 'diarrhoea and vomiting'

If you have any concerns about a child or something else, please contact one of St Mary's designated leads for Safeguarding on safeguarding@nmm.srscmat.co.uk, who are:

Mrs Chapman – Headteacher and Senior Safeguarding lead

Mrs Mallabar – Designated Safeguarding Lead, Class Teacher and Mental Health Ambassador

Mrs Laura Chapman SENCO and class teacher – Designated Safeguarding Lead

Mr Matthew Pearson – Designated Safeguarding Lead, Class Teacher

Mrs Amy Hodgson – Designated Safeguarding Lead, Class Teacher

As a school, we are always here to support you and your family. If your family circumstances have changed, for example a loss of a loved one, a separation or even a house move, please do let us know. Changes like these will impact children and it would really help if we knew about your changing circumstances to help us best support you all.

SAFEGUARDING ONLINE

It is really important to think about keeping our children safe online. Please do set parental controls on your children's devices so that you can control what they see and how long they can use their devices for. It is also vital to talk to your children about why you are doing this and let them know that they can talk to you if they see something inappropriate or upsetting.

The NSPCC have some fantastic resources which are free to access, explaining how to keep children safe online and how to set parental controls – <https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides>

They also have guides about social media platforms and how to help children stay safe when using them. As a reminder, **no primary school age pupils should be accessing social media at all. Primary aged children aren't able to understand the consequences of decisions made when using social media, they are at risk because of WHAT THEY MIGHT SEE, WHO THEY MIGHT SPEAK TO and HOW THEY MIGHT BEHAVE. Please help to keep all of our children safe by ensuring that none of our children are using social media.**

Please also be alert to children watching films or playing games which are not appropriate for their age and stage. Always follow the age guidance and be mindful of young children watching upsetting or violent films or playing games not meant for their age, This can be very distressing and can cause long term harm.

SCHOOL CHROMEBOOKS – AS A REMINDER, THE SCHOOL CHROMEBOOKS THAT CLASS THREE AND FOUR CHILDREN HAVE ARE ONLY TO BE USED FOR LEARNING. IN SCHOOL, THE CHROMEBOOKS ARE FILTERED TO ENSURE THAT NO INAPPROPRIATE SITES CAN BE ACCESSED BUT ONCE THE DEVICE IS TAKEN HOME, WE DO NOT HAVE CONTROL OF WHAT IS VIEWED AS THIS IS LINKED TO YOUR HOME WI-FI CONTROLS. CHILDREN SHOULD NOT BE ACCESSING SITES SUCH AS TIKTOK, YOUTUBE, FACEBOOK ETC. ON THESE DEVICES. CHILDREN SHOULD NOT BE LEFT UNSUPERVISED ON THEIR CHROMEBOOKS. IF WE FIND THAT CHILDREN ARE NOT USING THEM PROPERLY, WE WILL REMOVE THE DEVICES FOR HOME USE.

EXTRA INFORMATION

EVERY MINUTE COUNTS

CHILDREN FIND ARRIVING LATE FOR SCHOOL UPSETTING AND THEY MISS OUT ON IMPORTANT OPPORTUNITIES. PLEASE WORK WITH US TO PROVIDE YOUR CHILD WITH THE BEST CHANCES OF LEARNING BY ENSURING THEY ARE IN SCHOOL EVERY DAY AND ON TIME.

Your child has arrived in good time to meet friends and get ready for morning work in class.

8.45AM

The school day begins at 8.45am with soft start for key stage one. The classrooms are open and children should come into school.

8.55AM

The register is completed. Children should be ready to start their learning.

9.00am - Your child is late and has missed the beginning of the school day. 5 minutes late means 3 days lost per year.

9.10AM

The teacher has explained the learning and lessons have started.

9.10am - 15 minutes late means 9 days lost per year

9.15AM

Lessons are well underway and work is being produced.

9.15am - The register closes. Any arrival after this time is an unauthorised absence.

Could your child be entitled to Free School Meals?

For every pupil registered, the school will receive additional funding in the school budget called Pupil Premium which is used to help raise achievement levels.

By ensuring that as many eligible families as possible have applied for free school meals, we will receive our maximum Pupil Premium funding which enables us to provide the best education for our pupils.

Search 'Derbyshire County Council Free School Meals' for the link to apply!

We encourage parents of children who receive Universal Infant Free School Meals to still apply for Free School Meals as this will ensure school receives essential funding.

Please contact the school office if you need any support applying for Free School Meals.
