FRIDAY NEWSLETTER

SAINT MARY'S CATHOLIC VOLUNTARY ACADEMY

Welcome to our first Lent term newsletter. We hope you had an enjoyable holiday with your families. As we return to school we enter into the season of Lent. Pupils have completed their Lenten promises and are now learning about Lent and Easter. Mary's Missionaries will be teaching our year four pupils about the Stations of the Cross this term. Class 1 will have a focus on Palm Sunday where Jesus rides on a donkey into Jerusalem. Class 2 learn about the Last Supper. Class 3 focus on The Garden of Gethsemane where Jesus was betrayed by Judas Iscariot. Class 4 will learn about the Crucifixion and Peter's denial. The pupils will be delivering the Stations of the Cross on the 12th March, starting in class 1 at 9.15am and moving around all classes in order. We will finish at approximately 10.45am. All parents and carers are invited to this event.

Due to the success of our Grandparents' day, we are having another event to be held on Friday 13th March. Key stage 1 pupils (classes 1 and 2) will be in the hall from 2.00pm to 2.30pm and then key stage 2 pupils (classes 3 and 4) will be in the hall from 2.30pm to 3.00pm. Pupils can be picked up after each event from the normal pick up points around school.

Don't forget about our World Book Day activities (who's that behind the mask!). More details are below.

Looking forward to the week ahead, the secondary school places are announced on Monday 2nd March, our Druhm workshop takes place on Tuesday 3rd March and World Book Day is on Thursday 5th March as well as our visit from Jon Pearce MP. Please do also have on your radars that the parents/carers consultations take place on Monday 23rd March and Tuesday 24th March. Please look out for an e-mail from Mrs Oxley to book timeslots which will be coming soon.

Just a quick reminder about drop off and pick up times. Please do keep your children with you while they wait to come in and when they have left school at the end of the day. We have had another incident of a child running close to the road as well as damage to staff cars which have been scratched in the car park as children have run around them with sticks. We'd be very grateful if all children could stay with their adults for these times.

Have a lovely weekend,
Mrs Chapman.

1st Week of Lent

Year A

Word of the Week

Prayer

Sunday

First Reading:
Genesis 27:9; 31:7

Gospel Reading:
Matthew 4:1-11

Theme:

Prayer is a conversation with God. It is a way of opening our hearts to him and sharing our thoughts and feelings with him. Prayer can be done in many different ways, such as through words, music, or silence. During Lent, we can use prayer to reflect on our relationship with God, and to ask for his guidance and strength.

Suggestions

Hebrew Bible:
Jeremiah 29: 10-14

New Testament:
Matthew 6: 5-15

Mission:

Take a moment this week to pray. Think about what you want to say to God and what he might be saying to you.

 Mission: **Take a moment this week to pray. Think about what you want to say to God and what he might be saying to you.**

Prayer is a conversation with God. St John Damascene said that prayer "is to raise our hearts and minds to God." Praying is thinking about God; feeling God's presence or speaking to God in a way that we talk to a friend are all forms of prayer. To put simply, to spend time with God is to pray.

WHO'S THAT BEHIND THE MASK?

Design a mask of your favourite book character. We will then post a link on dojo so that you can upload a video wearing your mask and saying your characters famous line. Each class will have the chance to see the videos and try and guess 'who's that behind the mask'? Then, on World Book Day, wear your mask to school and reveal to your class who exactly it was behind the mask!

WHO'S THAT BEHIND THE MASK?

Masks can be made out of anything you like - cardboard, modroc, paper mache, boxes or using mask template. Once you have created the mask of your favourite character, record yourself saying a line from the book and upload it onto your class 'World Book Day Competition' activity - entries must be uploaded by Monday 2nd March.

The children in each class will have the chance to share the videos and guess who they think is behind the mask. Then, on World Book Day, wear your mask into school and we will reveal who was behind the mask.

Prizes available : person who guessed the most correct entries & best masks

Mask making/video entries is optional
We will have WBD activities in all classes on Thursday 5th March

We will be celebrating World Book Day this year with our own "Who's that behind the mask?" competition.

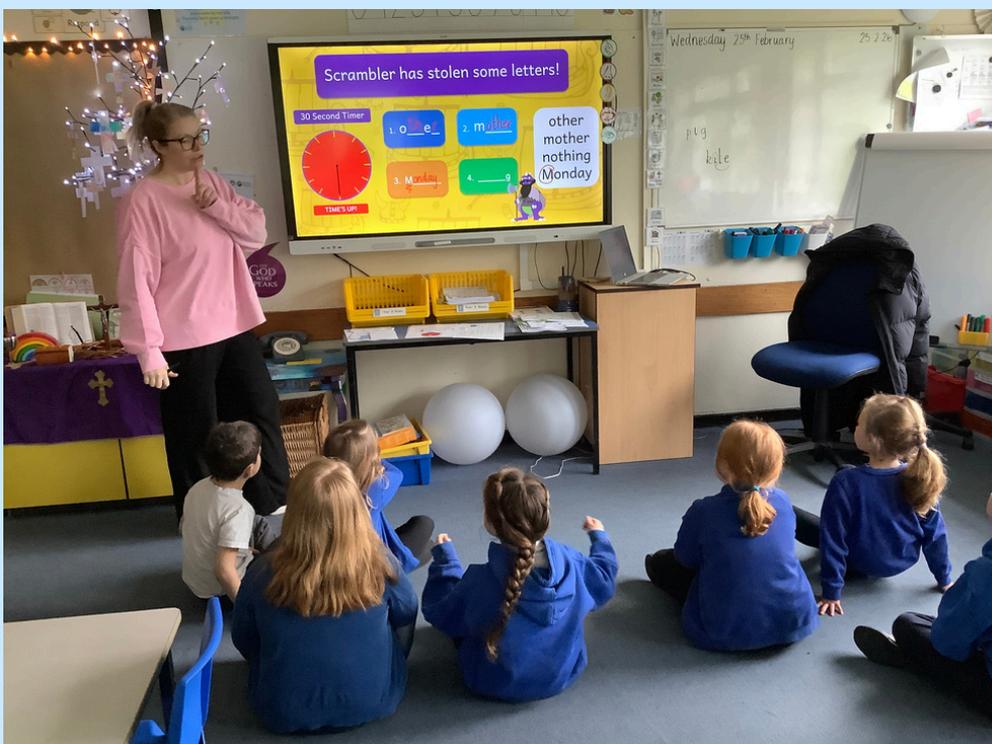

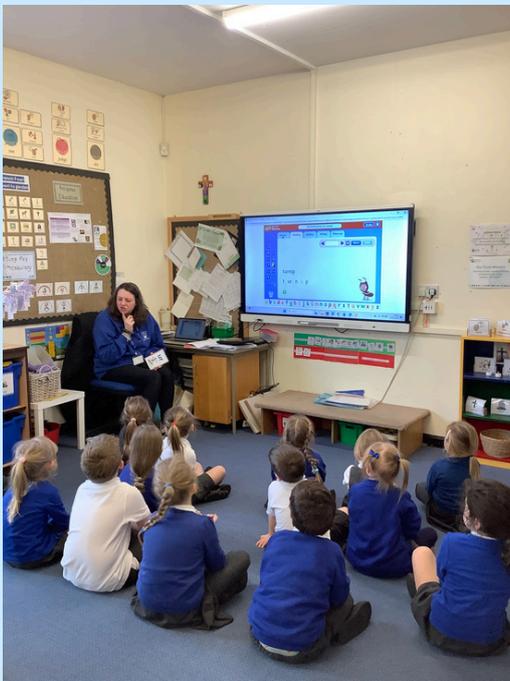

Children are invited to create a mask of their favourite book character. Each class will have an activity posted on their dojo profiles where the children can upload a video of themselves in the mask, reading their characters famous lines.

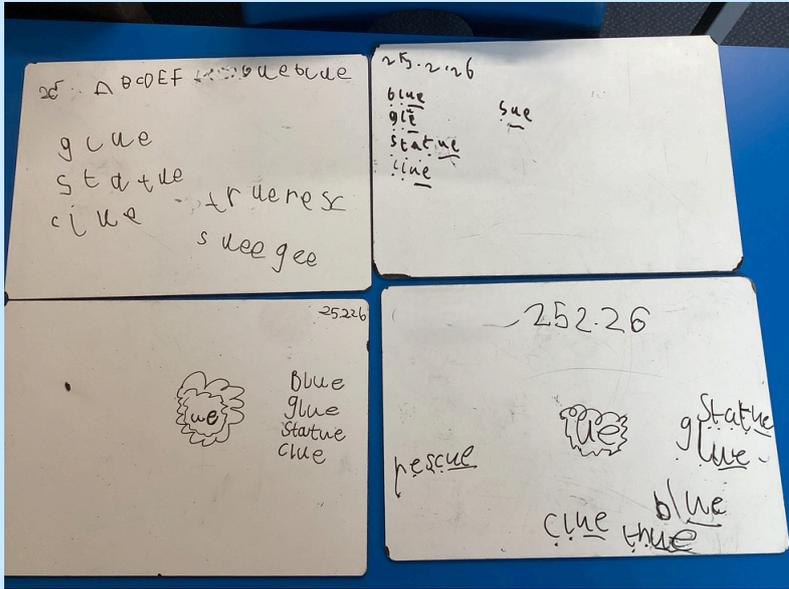

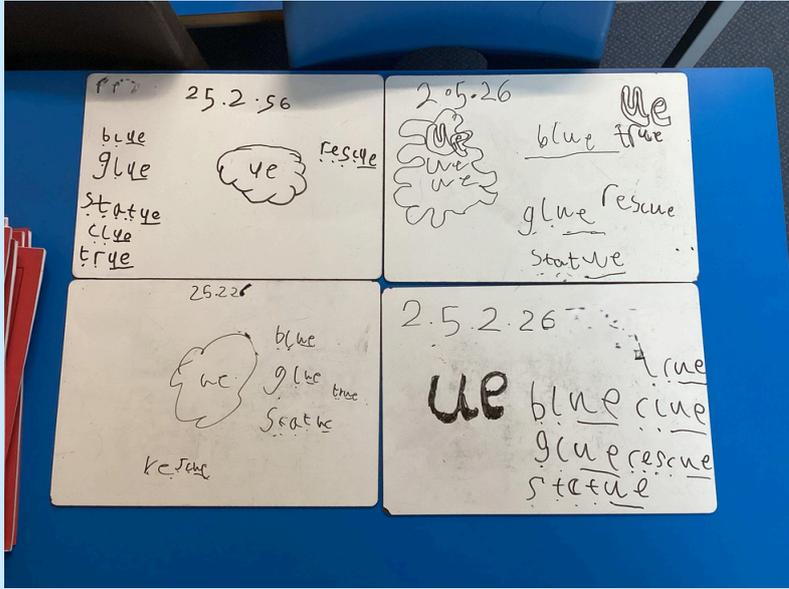

We will share the videos on Wednesday 4th March, so that the children can try and guess "who's that behind the mask?" and then they are invited to wear their masks into school on Thursday 5th March for World Book Day to reveal themselves.

We will have WBD activities going on all day on Thursday 5th March, so if anyone does not feel comfortable designing or wearing a mask they will still be able to participate in the shared activities.

School attendance

The importance of school attendance

We want our children at Saint Mary's to enjoy coming to school and to love their learning. Our attendance target for the whole school is 95% or above.

Research shows that there is a high correlation between school attendance, academic performance and success. Absence from school is often the biggest single cause of poor performance and achievement.

Why is it so important to attend every day?

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s). Each missed lesson is a missed learning opportunity.
- Reading the material and completing work independently does not compensate for direct interaction with a teacher.
- Teachers often use whole class discussions, demonstrations, debate, experiments and small group work as part of their daily learning activities, and these cannot be caught up by those who are absent.
- Parents and carers have a legal duty to ensure that their child receives an education.

Are there other benefits to my child?

- Pupils with good attendance records generally achieve higher grades and enjoy school more.
- Having a good education will help to give your child the best possible start in life.
- Regular school attendance patterns encourage the development of other responsible patterns of behaviour including independence skills and life skills.

What are the risks of frequent absences?

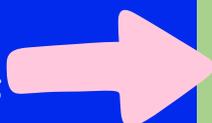

- A child who does not attend school regularly will be unlikely to keep up with the work.
- The more a child misses school, the lower their grades; the lower their grades, the less they want to stay be school. The only way to break this cycle is regular, high levels of attendance.

What can parents do to help?

- Parents and carers must model how they value education, including the importance of regular attendance, good punctuality, being respectful to teachers etc.
- If your child starts missing school, work with us to put things right. We are here to support you.
- If your child is ill or must miss school for some other reason, contact school immediately.
- Take an interest in your child's schoolwork and be involved in the school as much as possible – your child will value school more if you do. Come to assemblies, join the PTA, attend parent consultation appointments etc.
- Read with your child/children every night. Reading helps to build a strong and rich vocabulary. It increases empathy, showing children new perspectives and new worlds. Even five minutes per night is hugely beneficial.
- If you are not sure if your child should attend school due to illness, contact the school office who will advise you.

Check your child's attendance percentage on the Arbor app and compare it to this grid!

If you don't have access to Arbor, please let the school office know.

If you need help to increase your child's attendance, speak to your class teacher or the school office.

ABSENCES DURING TERM TIME

The Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.

For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carer is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carer is not engaging with the attempt to improve their child's attendance at school.

The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period. At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.

Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

First Offence – The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days. Reduced to **£80** per parent, per child if paid within **21** days.

Second Offence (within 3 years) – The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: **£160** per parent, per child paid within **28** days.

Third Offence and Any Further Offences (within 3 years) – The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

New registration codes

You might find that your child's attendance report looks slightly different next year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence. For example:

Code C: Leave of absence for exceptional circumstance.

Code C1: Leave of absence for the purpose of participating in a regulated performance. The important thing for you as a parent is still the C which means that the absence was authorised. There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.

Code K: Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage: <https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

SCHOOL NOTICES

★ ★ ★ ★ ★ ★ ★ ★ ★ ★
Star of the week this week was awarded
to someone who thinks scientifically.

If you don't currently have access to ClassDojo, ParentPay or Arbor but you would like to, please speak to the school office.

You can check your child's attendance percentage on Arbor! This is updated daily. Please let the school office know if you need any help with this.

No photography or videos are allowed on personal devices in school. This includes during sports days, assemblies, performances and school trips. This is to keep our most vulnerable children safe.

High attendance is vitally important to every child, educationally, socially, and legally. This is a good opportunity to remind everyone holidays should not be booked during term time. Headteachers are not permitted to authorise absences unless there are exceptional circumstances. This does not include reduced holiday costs. If a child is not in school and the absence is not authorised, we are under a duty to report this to the Local Authority who may issue you with a penalty notice.

If you need to drive to school, please drive and park considerately, avoiding the zigzags. We regularly get complaints from neighbours about poor parking, especially parking across the lane towards the top of Longlands Road. The police have confirmed that this lane is classed as a road, so blocking it is illegal. The people that live there are unable to leave if cars are blocking the lane, which means people are being made late for work, not able to get their own children to school, being late for appointments etc. This isn't fair. Please don't block this lane and please park using consideration.

Parking is available at the church and higher up Longlands road where the youth club is. If you can walk to school, or park a little further away, please do so. Thank you for reading this.

Our dinnertime discussion this week was –
'is something boring because of it or because of you?'

SAFEGUARDING

If you have any concerns about a child or something else, please contact one of St Mary's designated leads for Safeguarding on safeguarding@nmm.srscmat.co.uk, who are:

Mrs Mallabar – Designated Safeguarding Lead, Class Teacher and Mental Health Ambassador

Mrs Laura Chapman SENCO and class teacher – Designated Safeguarding Lead

Mr Matthew Pearson – Designated Safeguarding Lead, Class Teacher

Mrs Amy Hodgson – Designated Safeguarding Lead, Class Teacher

As a school, we are always here to support you and your family. If your family circumstances have changed, for example a loss of a loved one, a separation or even a house move, please do let us know. Changes like these will impact children and it would really help if we knew about your changing circumstances to help us best support you all.

Knife crime – We know it can be tricky to start the conversation about knife crime with your children or any young people you're close to, but it can be vital to do so. Please see this information from Derbyshire Police about knife crime and what we can all do to help prevent it –

[https://www.derbyshire.police.uk/police-forces/derbyshire-constabulary/areas/derbyshire-force-](https://www.derbyshire.police.uk/police-forces/derbyshire-constabulary/areas/derbyshire-force-content/campaigns/campaigns/2023/knife-crime/for-parents/)

We are hoping to have a visit in the coming months from our PCSO to talk to our older children about the dangers of carrying knives.

SAFEGUARDING ONLINE

It is really important to think about keeping our children safe online. Please do set parental controls on your children's devices so that you can control what they see and how long they can use their devices for. It is also vital to talk to your children about why you are doing this and let them know that they can talk to you if they see something inappropriate or upsetting.

The NSPCC have some fantastic resources which are free to access, explaining how to keep children safe online and how to set parental controls – <https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides>

They also have guides about social media platforms and how to help children stay safe when using them. As a reminder, **no primary school age pupils should be accessing social media at all. Primary aged children aren't able to understand the consequences of decisions made when using social media, they are at risk because of WHAT THEY MIGHT SEE, WHO THEY MIGHT SPEAK TO and HOW THEY MIGHT BEHAVE. Please help to keep all of our children safe by ensuring that none of our children are using social media.**

Please also be alert to children watching films or playing games which are not appropriate for their age and stage. Always follow the age guidance and be mindful of young children watching upsetting or violent films or playing games not meant for their age, This can be very distressing and can cause long term harm.

SCHOOL CHROMEBOOKS – AS A REMINDER, THE SCHOOL CHROMEBOOKS THAT CLASS THREE AND FOUR CHILDREN HAVE ARE ONLY TO BE USED FOR LEARNING. IN SCHOOL, THE CHROMEBOOKS ARE FILTERED TO ENSURE THAT NO INAPPROPRIATE SITES CAN BE ACCESSED BUT ONCE THE DEVICE IS TAKEN HOME, WE DO NOT HAVE CONTROL OF WHAT IS VIEWED AS THIS IS LINKED TO YOUR HOME WI-FI CONTROLS. CHILDREN SHOULD NOT BE ACCESSING SITES SUCH AS TIKTOK, YOUTUBE, FACEBOOK ETC. ON THESE DEVICES. CHILDREN SHOULD NOT BE LEFT UNSUPERVISED ON THEIR CHROMEBOOKS. IF WE FIND THAT CHILDREN ARE NOT USING THEM PROPERLY, WE WILL REMOVE THE DEVICES FOR HOME USE.

Could your child be entitled to Free School Meals?

For every pupil registered, the school will receive additional funding in the school budget called Pupil Premium which is used to help raise achievement levels.

By ensuring that as many eligible families as possible have applied for free school meals, we will receive our maximum Pupil Premium funding which enables us to provide the best education for our pupils.

Search 'Derbyshire County Council Free School Meals' for the link to apply!

We encourage parents of children who receive Universal Infant Free School Meals to still apply for Free School Meals as this will ensure school receives essential funding.

Please contact the school office if you need any support applying for Free School Meals.
