MR PEARSON'S CLASS 4

WELCOME BACK TO SCHOOL

Welcome to Class 4

I hope you all had a great summer and are ready to start another school year.

We have many fun and exciting activities planned this year to help us build upon our learning.

MEET THE TEACHERS

Class Teacher
Mr Pearson
Mrs Reynolds
(Tuesday PM)

Teaching Assistants
Mrs Wass
Miss Boyd (11 - 12:15)

CLASSROOM INFORMATION

PE Days:

Monday and Friday

Homework:

Your children will be given new spellings every week on a Monday. They will be tested on these the following Monday. Spellings will be posted onto Dojo.

On Fridays, the children will be set a piece of maths homework based on their current learning. This will need to be handed in by the following Friday. Please don't hesistate to seek help with any of the maths work, please send your child in with the homework, before Friday, and we will discuss it with them.

CLASSROOM INFORMATION

Reading and multiplications:

We encourage the children to try and read often -every day if possible.
Upon completion of their reading book, the children will complete an AR quiz in school and a new book will be sent home. Your child's reading book will be posted onto their Dojo profile page. You can add a comment to update the reading you have completed at home.

In addition to this we also encourage you to continue working with your child on multiplication facts and basic number facts, such as number bonds to 10 and 100.

CLASSROOM INFORMATION

Snacks and drink:

We are a healthy school.
Morning snacks must be either fruit or vegetables.
Preferably this could be brought in a named reuseable tub to reduce the amount of plastic waste, if necessary.

We encourage that all children bring in a reuseable bottle for water every day. We would like to encourage the children to bring in a bottle no bigger than 500ml due to limited space in class. Bottles can always be refilled with water as and when required.

CLASSROOM INFORMATION

Medication:

If your child requires any medication, including inhalers and Epipens, we need a new medical form completing at the school office and new medication bringing in for school. Please check all expiry dates.

Reminder: We are a nut free school due to serious allergies!

CLASSROOM INFORMATION

Uniform:

https://www.stmarysnewmills.srscmat.co.uk/parents/school-uniform/#1645532047220-a89ac26d-677c

Girls

BIG FOCUS

Oracy

An effective oracy curriculum in a UK primary school develops pupils' ability to speak clearly, listen actively, express ideas, reason, question, collaborate and adapt their communication to different audiences and purposes. It should be taught explicitly as well as embedded across the curriculum.

Mathematics – "A Mathematician Would Say..."

EYFS: "I notice..."
Y1: "I know..."
Y2: "The answer is..."
Y3: "I worked it out by..."
Y4: "My method was..."
Y5: "Another strategy could be..."
Y6: "I can prove this because..."

Science – "A Scientist Would Say..."

EYFS: "I notice..."
Y1: "I found out..."
Y2: "I predict..."
Y3: "The results show..."
Y4: "The variable is..."
Y5: "The evidence suggests..."
Y6: "My conclusion is supported by..."

CLASSROOM COMMUNICATION

In Our Class

- All class information and updates will be shared via Dojo - please ensure you check this regularly for relevant information

- If you need to reach us directly, please send communication to the school office as we often don't get the opportunity to access emails whilst teaching.

Mrs Oxley will forward on or reach out if you query is urgent:
info@nmm.srscmat.co.uk

LET'S HAVE A GREAT YEAR!

THANK YOU!
