FRIDAY NEWSLETTER

SAINT MARY'S CATHOLIC VOLUNTARY ACADEMY

Welcome to week three's newsletter. Another busy and fun filled week! Our enrichment clubs are very popular with pupils who are attending Lego, chess, board games and Minnie Vinnies clubs. Art, musical theatre and lacrosse clubs are also offered after school. The class 3 girls football team was in action this week competing at New Mills Pavillion. Well done girls, you were amazing! The chaplains led whole school worship on the theme of dialogue, the virtue was temperance and the Catholic Social Teaching strand was the dignity of workers. The mission was to think about how we can help others.

We are having many families visiting school whose children will start in reception in September 2027. If you know of any families who are interested in applying, please let them know about our opening days (see the poster below). If your child was born between 1 September 2022 and 31 August 2023 you should apply for a primary or infant school place between 9 November 2026 and 15 January 2027. You can still apply after this date, but your application will be treated as late. Please do pass this information as to anyone who has a child this age, and recommend our little school!

On Thursday, we had our whole school new school year mass. The children sang beautifully and our year 6 pupils read with clarity. Thank you to all who attended this memorable event.

Friday was a wonderful day for our reception and year 6 pupils when they became special friends. This is a very exciting and impactful experience for both sets of pupils as they support each other to grow and develop the skills for their educational journey together.

Next week, we look forward to the year 5 and 6 boys football tournament at the pavilion.

Have a lovely weekend, everyone!

Mrs Chapman.

EVERYONE IS INVITED!

STAR OF THE WEEK ASSEMBLY

EVERY FRIDAY WE HAVE A STAR OF THE WEEK ASSEMBLY STARTING AT 2.30PM. EVERYONE IS WELCOME TO ATTEND!

Please check ClassDojo for any changes to the assemblies.

School attendance

The importance of school attendance

We want our children at Saint Mary's to enjoy coming to school and to love their learning. Our attendance target for the whole school is 95% or above.
Research shows that there is a high correlation between school attendance, academic performance and success. Absence from school is often the biggest single cause of poor performance and achievement.

Why is it so important to attend every day?

- Learning is a progressive activity; each day's lessons build upon those of the previous day(s). Each missed lesson is a missed learning opportunity.
- Reading the material and completing work independently does not compensate for direct interaction with a teacher.
- Teachers often use whole class discussions, demonstrations, debate, experiments and small group work as part of their daily learning activities, and these cannot be caught up by those who are absent.
- Parents and carers have a legal duty to ensure that their child receives an education.

Are there other benefits to my child?

- Pupils with good attendance records generally achieve higher grades and enjoy school more.
- Having a good education will help to give your child the best possible start in life.
- Regular school attendance patterns encourage the development of other responsible patterns of behaviour including independence skills and life skills.

What are the risks of frequent absences?

- A child who does not attend school regularly will be unlikely to keep up with the work.
- The more a child misses school, the lower their grades; the lower their grades, the less they want to stay be school. The only way to break this cycle is regular, high levels of attendance.

What can parents do to help?

- Parents and carers must model how they value education, including the importance of regular attendance, good punctuality, being respectful to teachers etc.
- If your child starts missing school, work with us to put things right. We are here to support you.
- If your child is ill or must miss school for some other reason, contact school immediately.
- Take an interest in your child's schoolwork and be involved in the school as much as possible – your child will value school more if you do. Come to assemblies, join the PTA, attend parent consultation appointments etc.
- Read with your child/children every night. Reading helps to build a strong and rich vocabulary. It increases empathy, showing children new perspectives and new worlds. Even five minutes per night is hugely beneficial.
- If you are not sure if your child should attend school due to illness, contact the school office who will advise you.

Check your child's attendance percentage on the Arbor app and compare it to this grid!
If you don't have access to Arbor, please let the school office know.

Attendance really matters at Saint Mary's	100%	96%	94%	92%
	0 days of lost learning	8 days of lost learning	11 days of lost learning	15 days of lost learning
				
	Very best chance of success	Off to a flying start	Less chance of success	Persistent absence, much harder to make progress

If you need help to increase your child's attendance, speak to your class teacher or the school office.

ABSENCES DURING TERM TIME

The Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.
For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carer is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carer is not engaging with the attempt to improve their child's attendance at school.
The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period.
At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.
Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

First Offence – The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years) –The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years) – The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

New registration codes

You might find that your child's attendance report looks slightly different this year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence. For example:

Code C: Leave of absence for exceptional circumstance.
Code C1: Leave of absence for the purpose of participating in a regulated performance. The important thing for you as a parent is still the C which means that the absence was authorised. There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.
Code K: Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage: https://www.gov.uk/government/publications/working-together-to-improve-school-attendance

As a reminder, in September 2013 the government introduced new regulations making it clear that Headteachers must not give approval for any leave of absence during term time, including holidays, unless there are exceptional circumstances.
Any requests for term time leave should be made on a 'Leave of Absence' form available from the school office and handed in ten school days before the first date of the requested absence whenever possible. You must have received written authorisation before your child can be absent from school.
Parent/carers may be issued with a penalty notice fine or prosecution should leave of 5 days or more be taken which is not authorised by the Headteacher, or where repeated incidents of leave in term time for less than 5 days occur or where the unauthorised absence contributes to wider poor attendance that meets the legal threshold. Absence deemed for the reason of unauthorised leave in term time will be marked in the register with the Attendance code G.
You may be issued with a Penalty Notice should leave be taken which is not authorised. If unpaid this could lead to prosecution under section 444(1) of The Education Act 1996.

SCHOOL NOTICES

Star of the week this week was awarded to someone who knows how to be a good friend.

If you don't currently have access to ClassDojo, ParentPay or Arbor but you would like to, please speak to the school office.

You can check your child's attendance percentage on Arbor! This is updated daily. Please let the school office know if you need any help with this.

No photography or videos are allowed on personal devices in school. This includes during sports days, assemblies, performances and school trips. This is to keep our most vulnerable children safe.

High attendance is vitally important to every child, educationally, socially, and legally. This is a good opportunity to remind everyone holidays should not be booked during term time. Headteachers are not permitted to authorise absences unless there are exceptional circumstances. This does not include reduced holiday costs. If a child is not in school and the absence is not authorised, we are under a duty to report this to the Local Authority who may issue you with a penalty notice.

If you need to drive to school, please drive and park considerately, avoiding the zigzags. We regularly get complaints from neighbours about poor parking, especially parking across the lane towards the top of Longlands Road. The police have confirmed that this lane is classed as a road, so blocking it is illegal. The people that live there are unable to leave if cars are blocking the lane, which means people are being made late for work, not able to get their own children to school, being late for appointments etc. This isn't fair. Please don't block this lane and please park using consideration.
Parking is available at the church and higher up Longlands road where the youth club is. If you can walk to school, or park a little further away, please do so. Thank you for reading this.

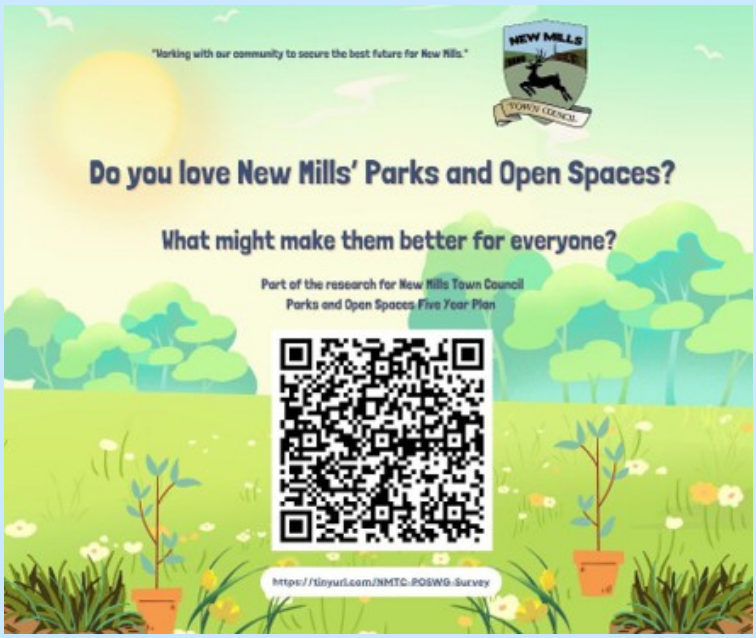

Our dinnertime discussion this week was –
'can you bend air?'

CALLING FOUNDATION GOVERNORS

Have you ever thought of becoming a foundation governor in one of our schools?

We are looking for people like you!

Catholic schools were founded by the Church to

- Assist in its mission of making Christ known to all people
- Assist parents, who are the primary educators of their children, in the education and religious formation of their children
- Be at the service of the local Church - the diocese, the parish and the Christian home
- Be 'a service to society'

Since September 2018, all maintained Catholic schools in the Diocese of Nottingham have become academies.

Each one belongs to one of three Catholic Multi-Academy Trusts (or CMATs).

The CMATs rely on local governors, attached to each of their academies, to support the designated school to thrive.

As practising Catholics, foundation governors help to ensure that the Catholic identity of the school is preserved, that the Bishop's vision for education is followed and that standards remain high.

SAFEGUARDING

If you have any concerns about a child or something else, please contact one of St Mary's designated leads for Safeguarding on safeguarding@nmm.srscmat.co.uk, who are:

Mrs Chapman – Headteacher and Senior Safeguarding lead
Mrs Mallabar – Designated Safeguarding Lead, Class Teacher and Mental Health Ambassador
Mrs Laura Chapman SENCO and class teacher – Designated Safeguarding Lead
Mr Matthew Pearson – Designated Safeguarding Lead, Class Teacher
Mrs Amy Hodgson – Designated Safeguarding Lead, Class Teacher
Mrs Jodie Oxley – Designated Safeguarding Lead, Office Manager

Our new safeguarding policy (Sept. 26) can be found here – https://www.stmarysnewmills.srscmat.co.uk/information/school-policies/ under 'safeguarding'.
Please also see the link here – https://www.youtube.com/watch?v=1YvIfw7obwE

As a school, we are always here to support you and your family. If your family circumstances have changed, for example a loss of a loved one, a seperation or even a house move, please do let us know. Changes like these will impact children and it would really help if we knew about your changing circumstances to help us best support you all.

Knife crime – We know it can be tricky to start the conversation about knife crime with your children or any young people you're close to, but it can be vital to do so. Please see this information from Derbyshire Police about knife crime and what we can all do to help prevent it – https://www.derbyshire.police.uk/police-forces/derbyshire-constabulary/areas/derbyshire-force-content/campaigns/campaigns/2023/knife-crime/for-parents/
We have a visit every year from our PCSO to talk to our older children about the dangers of carrying knives.

SAFEGUARDING ONLINE

It is really important to think about keeping our children safe online. Please do set parental controls on your children's devices so that you can control what they see and how long they can use their devices for. It is also vital to talk to your children about why you are doing this and let them know that they can talk to you if they see something inappropriate or upsetting.

The NSPCC have some fantastic resources which are free to access, explaining how to keep children safe online and how to set parental controls – https://www.nspcc.org.uk/keeping-children-safe/online-safety/#guides

They also have guides about social media platforms and how to help children stay safe when using them. As a reminder, no primary school age pupils should be accessing social media at all. Primary aged children aren't able to understand the consequences of decisions made when using social media, they are at risk because of WHAT THEY MIGHT SEE, WHO THEY MIGHT SPEAK TO and HOW THEY MIGHT BEHAVE. Please help to keep all of our children safe by ensuring that none of our children are using social media.

Please also be alert to children watching films or playing games which are not appropriate for their age and stage. Always follow the age guidance and be mindful of young children watching upsetting or violent films or playing games not meant for their age, This can be very distressing and can cause long term harm.

SCHOOL CHROMEBOOKS – AS A REMINDER, THE SCHOOL CHROMEBOOKS THAT CLASS THREE AND FOUR CHILDREN HAVE ARE ONLY TO BE USED FOR LEARNING. IN SCHOOL, THE CHROMEBOOKS ARE FILTERED TO ENSURE THAT NO INAPPROPRIATE SITES CAN BE ACCESSED BUT ONCE THE DEVICE IS TAKEN HOME, WE DO NOT HAVE CONTROL OF WHAT IS VIEWED AS THIS IS LINKED TO YOUR HOME WI-FI CONTROLS. CHILDREN SHOULD NOT BE ACCESSING SITES SUCH AS TIKTOK, YOUTUBE, FACEBOOK ETC. ON THESE DEVICES. CHILDREN SHOULD NOT BE LEFT UNSUPERVISED ON THEIR CHROMEBOOKS. IF WE FIND THAT CHILDREN ARE NOT USING THEM PROPERLY, WE WILL REMOVE THE DEVICES FOR HOME USE.

Please find here the link for Internet Matters which is useful in providing step-by-step instructions for increasing security settings for devices used online as well as providing lots of useful information to help ensure that children are only exposed to age-appropriate material online.

Thank you for helping to keep our children safe.
